BELOVED KENICH AHAN

Lo!“I AM” THAT “I AM”! Dear children of the One Eternal Light! of the Sun, I bring you greetings from the Homeiand.

“I AM”called by some on Earth who know of my existence as Kenich Ahan. Let us together contemplate that name.....It actually means “Sun Chohan”, for “I AM”Lord of the Ray of the Sun as It enters into this Planet Earth. Feel the fullness of the Light Ray of the Sun that I have brought with My Momentum this day.

for dear children, I represent the fullness of the Fatherhood of God. As you may be aware, before the Sonship could appear on this Planet, the Fatherhood of God had to be well established, as was done in all the important pre-Christian religions. Then came the Divine example of the true Son of God (the Christ) through the Master Jesus, guided by Lord Maitreya. And what is to come after the "Sonship"? -- The fullness of the HOLY SPIRIT!

"I AM" AND THE FULLNESS OF THOSE WORDS, "I AM", SPOKEN WITH HOLY BREATH CONTAINS WITHIN IT THE FULLNESS OF THE HOLY SPIRIT, THE COMPLETE MOMENTUM OF THE CAUSAL BODY OF OUR FATHER MOTHER GOD.

WORD, July 1982, Pg. 17-18.

## BELOVED JESUS - MICAH

When an individual thinks, feels, speaks or writes the words "I AM", he immediately receives the attention of Life within him as well as around him. Why? Because the words "I AM" are the signal to intelligent Life to create. I learned this lesson at the feet of a Beloved Guru in India. I saw Life come to attention when those words were used silently or audibly. I then saw Life immediately *obey* the fiat or decree that followed the use of that creative statement. It was at the feet of that Guru that I learned the power within the Creative Word "I AM" and began to utilize it Myself, enjoying the buoyant, uplifting feeling of the *constructive* use of any statement preceded by the word "I AM". I sincerely believe that the ultimate success of My

Ministry was the constant and deeply felt use of the simple statement "I AM" THE RESURRECTION AND THE LIFE OF MY DIVINE PLAN PHYSICALLY MANIFEST HERE AND NOW." *Life will obey you! It always has.* Every creation that lives in your world constructively or otherwise is the result of the obedience of Life to your command someplace upon Life's way. Turn to the constructive, positive, conscious use of the resurrection power of the Creative Words "I AM" and prove to yourself that intelligent Life will obey you and manifest according to your decree. There is no greater teacher than one's own experience. TRY IT! I CHALLENGE YOU!

BRIDGE, April, 1957, pg. 15-16

**1. THE HEM OF YOUR GARMENT** ---It is the periphery of your emotional vehicle, each vehicle fitting inside of the other, your physical vehicle interpenetrating your etheric, the etheric then by the mental and then the emotional vehicle through which your life flows -- that is the hem of your garment.

Archangel Zadkiel, BRIDGE, Jan. '60 Pg. 222

**2. IMMACULATE CONCEPT -- IMAGE AND LIKENESS OF GOD --** Within your hearts is a Divine pattern and plan waiting to burst forth and externalize making you each one a Christ. -- The great and patient God has placed within your Hearts the Divine Immaculate Concept of Himself. There is no human being that does not have that Divine plan and pattern within him and it was written that man was made in the image and likeness of God.

Lady Hope, BRIDGE, April '60, pg. 20

**3. I HAVE FOOD THAT YE KNOW NOT OF**  
- Mankind is constantly, consciously partaking of the consciousness of each other --- but seldom aspires to partake of the consciousness of the Ascended Being which is always open to any supplicant. When I said "I have food ye know not of" I spoke of this great Parent Consciousness of which I partook and lived in constantly.

Master Jesus, BRIDGE, May '60, pg.34.

4. THE LORD'S PRAYER --Our Father which art in Heaven hallowed - that is holy - be Thy Name, Thy Kingdom come on Earth as It is in Heaven. Forgive us our debts AS we forgive our debtors. That little word "as" is slurred over. We will be forgiven in like manner AS we forgive those who have trespassed against us. Then the magnificent surrender "for Thine is the Kingdom and the Power and the Glory forever."

Master Jesus, BRIDGE, July '60, pg. 87

5. "I AM" THE RESURRECTION AND THE LIFE" of some aspect of Truth -- The first part of this statement, "I AM" the Resurrection (of Perfection) means you acknowledge the Truth, God Reality. It infers that you can see through the veil and perceive the Light. The second part "and the Life" (of Perfection) means that through continuous one-pointed acknowledgment of that perceived Truth, you command It forth into manifestation.

Lord Raphael, THE WORD, April '84 pg. 2-6

## 6. BE ABOUT THE FATHER'S BUSINESS --

In the enjoyment of being a conductor of the energy of any God Free Being you find a tremendous Divine Plan. Thus while you remain among the peoples of Earth, be no part of their distress, but be a contributing factor to conducting and radiating the Gifts, Powers and Qualities of the Kingdom of Heaven. You may at any moment be utilized by a Master as a conductor of Healing to others (thus being about the Father's business). Live in a State of Listening Grace in the Heart Center of your Being, thus your feeling world is a Harmonious Conductor.

Paul, the Maha Chohan, BRIDGE, Feb. '59, pg. 15-16

7. THE SECRET PLACE OF THE MOST HIGH -- Paul, the Maha Chohan says "enter with Me into that Chamber within your own Heart, the SECRET PLACE OF THE MOST HIGH! Standing there contemplating the Immortal Three-fold Flame which is the garment of your own beautiful Christ Self, just relax in the Love of the Presence of God. As your adoration flows to that Presence, remember, your body is the Temple within which is the Immortal Flame of eternal Life, within which, seated upon His Golden Throne is the tiny Christ Self made in the Image and Likeness of the Eternal God, waiting your adoration, love, devotion, the energies of your world through which He may grow and expand until your entire body is filled with His Presence, and the Master Christ bursting through the flesh stands revealed, the Divine Pattern of your individual identity."

BRIDGE, Feb. '59, pg. 19 .

8. I, OF MYSELF CAN DO NOTHING. IT IS THE FATHER *WITHIN* THAT DOETH THE WORKS' to remind you that the Power that was drawn through My lifestream directed by the Wisdom of the Father and sent forth in Love, should never be used, and It never was used in My whole embodiment for anything but to do God's Will here on Earth to attempt to establish the Kingdom of Heaven on the Planet Earth.

Master Jesus, BRIDGE, March '59, pg.21.

9. 'I AM' MY BROTHER'S KEEPER -- Each man should be his brother's keeper in so far as it is the duty of all men to assist the other to God Freedom. It is not necessary that a single word be uttered to be another's keeper. This does not imply that any lifestream should meddle in the personal affairs of another. It is the silent reverence for life -- for all life -- which makes a man his 'brother's keeper'.

Paul, the Maha Chohan, BRIDGE, Oct. '64, pg. 19.

## 10. PARABLE OF THE TARES OF THE FIELD

-- Beloved Jesus says: He that soweth the good seed is the Son of man; the field is the world; the seed are the children of the Kingdom; but the tares are the children of the wicked one. The enemy that sowed them is the devil; the harvest is the end of the world and the reapers and the angels.

As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The Son of man shall send forth his angels and they shall gather out of his kingdom all things that offend and them that do iniquity; shall cast them into a furnace of fire; there shall be wailing and gnashing of teeth.

Then shall the righteous shine forth in the kingdom of their Father. Who has ears let him hear.

BRIDGE, April '59, pg. 8.

## 11. MANY WILL COME IN MY NAME, BUT I SHALL NOT BE WITH THEM --

Those who consciously practice and use the Power of Faith to forward their own destructive ends will be held accountable before the Karmic Board at the close of this embodiment those who have had Spiritual instruction and yet choose to give of their energies to sustain such unfortunate individuals are also held accountable to the Cosmic Law and greatly hinder their own progress. All destructive activities require more power than can be generated by one individual and the conscious Faith and Power of their constituents is the only means wherein and whereby they can sustain these unfortunate activities for a time.

Lord Lanto, BRIDGE, July '59, pg. 76

12. **COME OUT OF THE TOMB OF IGNORANCE INTO THE LIGHT** - Mother Mary's words -- The divine Beings are essential to your victory. They were to mine and even to my lovely Son. --- Who willingly took the cup in Gethsemane's Garden and drank it saying 'not my will but Thine be done'. All the Ages that have passed shall never dim that ultimate Victory of Life Eternal. In that same vehicle He said, 'Mother, I have come from the dead and live again'. Now I say to you give me the petitions of your Heart, from disintegration and all of it's accompanying decrepitudes out of the tomb of ignorance and mass consciousness of human creation into the Light of Eternal Day. Live in the Light of the world, in the conviction that one with God is a majority.

BRIDGE, August '59, pg. 119.

13. **"BLESSED ARE THE MERCIFUL FOR THEY SHALL OBTAIN MERCY"** - - **"FORGIVE US OUR DEBTS AS WE FORGIVE OUR DEBTORS"** -- **LOVE THY BROTHER AS THYSELF**" -- **DO UNTO OTHERS AS YOU WOULD LIKE DONE TO YOU**" -- **"BE YE THEREFORE MERCIFUL AS YOUR FATHER IN HEAVEN IS MERCIFUL"**. Mercy does not fall from Heaven into your lap just for the asking. If this were so you would likely repeat the offence at the next temptation. Mercy should be sought because it annuls the penalty of your fault. The way to obtain it is by being merciful to your offender real or imaginary. Thus the way to be merciful is to cease doing wrong to any person.

El Morya, BRIDGE, Aug. '59, pg. 109.

14. THE WORD IS MADE FLESH IN YOU -- THE WORD WAS MADE FLESH AND DWELT AMONG THE PEOPLES OF EARTH. Is that not true with every embodiment that takes place? As every individual takes embodiment is not the capacity and power of the creative word 'I AM' made flesh and through that one given an opportunity to express the Christ estate? Every day upon this planet when a child is born the great 'I AM' is again made flesh.

Mother Mary, BRIDGE, Dec. '59, pg. 197.

15. THE KINGDOM OF HEAVEN IS WITHIN YOU --THE KINGDOM OF HARMONY IS WITHIN YOU. -- By the complete surrender of your outer consciousness (personality) to the Immortal Three-fold Flame of Love, Wisdom and Power within your beating Heart (listening for and obeying the still small voice within it) you allow Its full God Authority to act for and through you. You then allow Its Authority to produce and sustain for you Peace in your feelings, your minds, your etheric as well as your flesh bodies. In just such a manner was the Master Jesus enabled to instantly still the waves of the sea. As you daily practice this surrender of the outer personality to the Flame within, you will find that the Kingdom which is within you will then be externalized through you and around you.

Maha Chohan, BRIDGE, Mar. '57, pg. 6

**16. THE THINGS I HAVE DONE SHALL YE DO ALSO -- THE JEWEL IN THE HEART OF THE LOTUS --** The consciousness of unascended mankind has accepted My personality as the Author and Giver of the gift - rather than the Christus - the Immortal Three-fold Flame of Eternal Truth which had expanded within Me, releasing It's God Gifts to all. This same Flame is within the Heart of everyone.

Master Jesus BRIDGE, May '57, pg. 10.

**17. TO HIM THAT HATH SHALL BE GIVEN** [to him that has the understanding of how to use them, more substance, power and talent shall be given him]; **TO HIM THAT HATH NOT SHALL BE TAKEN AWAY EVEN THAT WHICH HE HATH** (from him who has not the understanding of how to use life impersonally to bless others, shall be taken away that which he already has). If he uses those gifts as God and the Divine Beings do, to expand the Blessings of Light, Comfort, Happiness and greater perfection in his Sphere of influence and the world of others, he will prosper. If he chooses to use such a gift for personal aggrandizement or gain, the forces of disintegration and decay will teach him the lesson which Jesus taught so forcibly.

Maha Chohan, BRIDGE, Aug. '70, pg. 23

**18. IF I DO NOT GO (ascend) THE COMFORTER WILL NOT COME! ---** Jesus realized that even His dearest disciples and followers were merely allowing the tendencies of human nature to act as they leaned upon His power, rather than developing their own Christ nature. Close proximity to the Ascended Host does not mean that anyone should expect the Ascended Ones to do things for them, but that, by the power of radiation the unascended one may be stimulated to use his own God-given powers to be able to do things for himself.

El Morya, BRIDGE, Dec., '57, pg. 4.

**19. FOR THINE IS THE KINGDOM, AND THE POWER AND THE GLORY FOREVER --** Within your heart beats Life -- that Life is the magnetic pull which can not be denied by ANY Intelligence in this world. It is the Master Power of the Universe, cradled within your Heart! Look on that Life for a moment! See the Electronic Flow of Light from your own beautiful God-self into this Flame within your Heart. It is the Master Presence to which every Ascended Master, Cosmic Being, Angel, Deva, Cherubim, Seraphim in Heaven will respond. It is the Motivating Agent of the Primal Substance of Life, which makes the Sacred Fire of Creation! What is the Sacred Fire? **QUALIFIED LIFE!** Your human creation is qualified Life, imperfectly. The Sacred Fire is the same Life qualified with Harmony, Peace, Healing, etc. See also "I AM" -- **CHRIST SELF -- THREE-FOLD FLAME.**

Lord Maitreya, HOPE, Dec. '60, pg. 108.

**20. BE STILL AND KNOW THAT "I AM" GOD !** The Great "I AM" Presence the individualized Presence of Almighty God, enfolds every human being and sends It's mighty currents of Life and Energy through the top of the head through the Silver Cord and has anchored a Minature of Himself --THE CHRIST -- within each human Heart! Mankind has looked without for God, but only when he looks within will victory crown his efforts.

HOPE, Dec. '60, pg. 117 [M. Hopkins].

**21. LAY UP TREASURES IN HEAVEN --** That priceless gift of Life given to each incarnate soul must be appreciated and woven into some good reason for being, aside from the personal interest and accomplishments which benefit only self. Those who build thus "in heaven" are fortunate, for as the Casual Body grows in size and power and strength, each such an one becomes a Cosmic Being even before the Ascension of the outer self.

Master Jesus, BRIDGE, Sept. '54, pg. 15

The abundance of the Virtues of God which you have cultivated in your world are the only things you can take with you when you leave the Earth.

HOPE, Dec. '60, pg. 112 [R. Yancy].

22. SEEK YE FIRST THE KINGDOM OF HEAVEN AND HIS RIGHTEOUSNESS (the right use of Life) AND ALL THINGS WILL BE ADDED UNTO YOU! -- This is the enlightenment that brings true understanding! When the great Spirit of God sent part of Itself into denser vibrations (this Earth) to gain certain experiences, It built a *mental world* to create form, It then built a *feeling world* with which to energize those forms. An *Etheric body* was built in which to store the remembrance of those experiences It finally built *the physical body* in which the other three interblended. Thus the consciousness went farther and farther from the Heart of God from which all had come! Now these experiences have been concluded and the consciousness is endeavoring to Ascend back to the Father and His Kingdom taking with it the experiences gained through mind, feelings and body.

The Enlightenment each one needs is that the Individualized Presence of God stands above and around each individual and that a small replica of Itself is anchored in each human Heart, which is the "still small voice within" where the Kingdom abides. As you look to this God part within you asking for Its guidance and directions you will receive the promptings as to what you should and should not do.

Learn to get STILL and LISTEN to this "still small voice". Still your body, the memories, the mind, the feelings and let your God Self speak to you in the Silence. Your directions may not be the same as those of your friend, for you each have walked different Paths. Seek ever to find this Kingdom within and receive through Understanding the Enlightenment that brings all things to you. Blessed is he who perseveres until he finds It. May you be such an one.

**23. EXCEPT A MAN BE BORN AGAIN: HE SHALL IN NO WISE ENTER THE KINGDOM OF HEAVEN** -- Man's first spiritual birth is when he is created in the Image and Likeness of God out of the very Heart of the Father-Mother God and unto him is then given all the Powers of the God Parents. This first spiritual birth created what is known as the "I AM" Presence -- the Divine Archetype -- the Cosmic Ego. Even as in the Nature Kingdom the pattern of the Oak is created before the acorn, so is the Divine man created before the physical man. The "re-birth" referred to by Beloved Jesus takes place when the Divine Pattern of the lifestream is fully externalized through the outer personal self, even as the oak tree is externalized through the acorn. Both follow the same Law.

Maha Chohan, BRIDGE. Dec. '56, pg. 12

**24. HE WHO HAS SEEN ME HAS SEEN THE FATHER** -- Jesus -- "I AM" One who chose to embody the Nature of God. When I said "He who has seen me has seen the Father" I presented this truth. It is now the opportunity for each one eager to expand the borders of the Father's Kingdom to likewise partake of the Nature of God and embody that Nature through the feelings, through the mental processes, and through the transfigured flesh!

Master Jesus, BRIDGE, May '72, pg. 26

**25. "BEFORE THEY HAVE CALLED, I HAVE ANSWERED, AND WHILE THEY ARE YET SPEAKING, I HAVE HEARD."** The Great Eternal Father looking upon the Earth and It's children, felt within Himself the need of a Restorative Power by which those desiring to resume their God Estate could do so. Into His Aura He projected the Flame of Resurrection. Here It lived until One of His Sons, contemplating the Nature of the Father, pierced-through the Blazing Light of His Aura and perceived this Flame of Hope and Life. The Son (Beloved Jesus) asked that He might embody that Flame and bring It to Earth, for the acceptance of those who chose to know again Eternal Youth and Beauty of Life Eternal.

Maha Chohan, BRIDGE, Apr. '73, pg. 23

**26. "I AM" THE RESURRECTION AND THE LIFE,** of some aspect of Truth, the first part of this statement, 'I AM' the Resurrection (of Perfection) means you give acknowledgment to the Truth, God Reality. It infers that you can see through the veil and perceive the Light. The second part, 'and the Life' (of that Perfection) means that through continuous one-pointed acknowledgment of that perceived Truth, you command It forth onto the Screen of Life and give It manifestation; for the continuous stream of your attention is all powerful. "Where your attention goes your energy flows and your energy is your Life.

Lord Raphael, THE WORD, Apr. '84, Pg.2-3
