P R E F A C E

Each day of the week is devoted to the outpouring of the Elohim, Archangels and Chohans of one of the Seven Rays of Light which surround the Causal Body of each individual.

This booklet is to co-ordinate the daily meditations of the entire student body. It carries the words of the Ascended Beings and decrees suitable for each day. It has purposely been made small enough to carry in the chela's handbag or pocket. It is beautiful and encouraging to know that all over the world,-----the blessed chelas are using the same exact text, thus co-ordinating the world prayer force in blessing to God and His Divine Messengers -- as well as the dear Earth and Her evolutions.

We do decree that you will love it and enjoy participation in this world-wide meditation - knowing that other good peoples are also engaged in this service.

1. BELOVED PRESENCE OF GOD - "I AM" WITHIN MY HEART, I love and adore you! I summon You forth to blaze the Crystal and Blue Flames through me and see that God's Will is made manifest in all I do this day. I now realize that within my own heartbeat is God's Divine Plan for me and also the way and means of bringing it into outer manifestation. I now enter the SILENCE and Listen; and I know the perfect thing to do. As I hold my attention upon the Divine Plan. I bring it into form.

2. "I AM" the FAITH in the ALL-POWER OF GOD IN ME TO DIRECT me, protect me, illumine me, heal me, supply me, sustain me and do whatever I REQUIRE TO HAVE DONE.

3. BELOVED LADY MIRIAM, now the Chohan of the First Ray, says:

The simple acknowledgement and realization that the Presence of God is within you, awaiting the invitation to

intensify His Power and Presence, will begin the release of His Gifts, His Powers and His Miracle Working Presence into your world and affairs. This Ever-Presence is alive within your heart. You need no mediator to call It forth. From within Its blessed Self flows comfort, peace, understanding, directive intelligence - which reveals the solutions to our daily problems.

4. BELOVED LADY MIRIAM, I love, bless and thank You for your service to me and to all mankind. Enfold me now in the Blue Flame of Your Love and let me feel your Strength and Power to receive the God Ideas and bring them into outer manifestation for the blessings of my fellowman! Help me to say to my Beloved God Presence "Not my will but Thine be done!" Help me to feel and understand Your Illumined obedience to that Will and the Presence of God within each human heart!

5. THE GREAT ARCHANGEL MICHAEL - Arch-angel of Protection and Defender of the Faith, says:

"Through the Light of My Heart and your heart, do We create for you through this appearance world NOW a Pathway of Love, Peace, Comfort, Opulence, Illumination and Well-being - physical, mental, emotional, and spiritual. Will you FEEL the Light of your heart creating this Path before you as you leave your room each morning and WALK IN THE WAY OF THE ANGELS through the day in the same security as though you passed through one of the Rays which have been made a permanent pathway through the substance of the Earth by the Masters?"

6. BELOVED ARCHANGEL MICHAEL, I love, bless and thank You for Your mighty service to me, all mankind, and our Earth for so long. Send Your Ascended Angels of Protection to enfold me and my loved ones and all constructive people on the

Earth, CUT US FREE from the thoughts and feelings that are not God's Immaculate Concept for us. We Thank You.

7. THE GREAT ELOHIM HERCULES says.....

"Are you content with what you are - what you manifest today? Are you content with half a loaf when you could have a full one? Are you content to live in limitations and bodies of decay? It is what you WILL that you manifest! Oh, beloved students of Light, upon your forehead blazes the Flame of Hercules, Remember each morning and acknowledge It before you proceed into the activities of the outer world and WILL to become that which God intends.

"Remembering Hercules as you move forward, please do not accept such limitations in your individual selves when you know that IT ONLY REQUIRES the exercise of the WILL WITHIN YOU to draw forth ALL THAT YOU REQUIRE!"

8. BELOVED HERCULES, I love, bless and thank You for Your great service to our Earth and all upon it. Charge each one of my bodies - physical, etheric, mental and emotional - with the STRENGTH OF HERCULES and the Power of Your Love that gives me Invincible Protection at all times.

9. IN THE NAME OF THE PRESENCE OF GOD WHICH "I AM", in the Name of Hercules, I WILL TO BE GOD-FREE in my mind, feelings, body, finances, world and affairs. I WILL TO BE GOD-MASTER! I WILL TO BE GOD INCARNATE!

GOLDEN FLAME

OF

ILLUMINATION

LOVE

PEACE

1. MY BELOVED HOLY CHRIST SELF - "I AM" in me, I love and adore You! I summon forth the Golden Flame of Cosmic Christ Love and Illumination to enfold me this day. "I AM" GOD'S ILLUMINATION AND WISDOM directing me in all I do. I listen, and I understand, and I bless everything I contact this day.

2. I now realize that ALIVE within my physical body is the HEALING FLAME that heals me of every imperfection. I now realize that ALIVE within my physical body is the INFINITE SUPPLYING POWER of my every need and requirement. I now realize that alive within my physical body is the ILLUMINATION of my outer consciousness, I now realize that ALIVE within my physical body is the INTELLIGENCE by which all form will yield me the Perfection that is within its own primal essence. I now realize that there is only ONE POWER - GOD within my own heart; and that POWER ACTS for me according to my faith in it. Therefore, my Holy

Christ Self - "I AM" in me, COME FORTH and let your Divine Plan be fulfilled.

3. BELOVED LADY SOO CHEE, now Chohan of the Second Ray says:

Each individual lifestream came to Earth with a beautiful Lotus which he was to nurture and bring to full fruition - a glorious Blossom. Lifetime after lifetime he, like you have often seen children taking a petal from a flower saying 'he love me, he loves me not' ... That is what has happened through the centuries by lifestreams and at then end of each embodiment there was just a bare stem, the very heart center holding maybe one or two petals. And then on the "Other Side" they saw what has been done to the flower of their Beings and vowed with all determination of their Beings and to come forth again and nourish the Lotus.

Now will you please envision yourself ..just take your consciousness away from the human and enter the great Lotus of Our Retreat, and see the great Master Beloved

Confucius gently draw you into the very sacred Petals of the Golden Lotus of Wisdom ... Let that Holy Essence just infiltrate your consciousness -- do not think of your lower vehicles -- just let that Elixir flow naturally through your consciousness, and may that Golden Light so fill your Being later you will say "Thank you God, I listened!"

4. BELOVED LADY SOO CHEE, I love, bless and thank you for your great service to me and all Mankind. May the Great Flame of Illumination and Wisdom from Your Golden Lotus Retreat expand through the Lotus of our Beings to bless and raise all mankind.

5. BELOVED ASCENDED MASTER LANTO now World Teacher -- Patriarch of the Rocky Mountain Retreat says:

"In your new-found service you often feel the ingratitude and indifference of mankind, and sometimes you weary of well-doing. So often, as We stand in your atmosphere, do We sense discouragement. Then will you please remember those of

Us who have spent millions of years in such service; millions of years in loving and blessing and putting Our Faith and confidence in you? Realizing this, you will enjoy giving a balance back to Life by having the same confidence in, the same patience with and the same faith in your fellowman."

6.** BELOVED LANTO, I love, bless, and thank You for Your service to our Earth for so long. Help us all to have that great REVERENCE FOR ALL LIFE which You have, and the Love that helps to set it free.

7. BELOVED JOPHIEL, Archangel of Illumination, says:

"My service to Life is in the teaching of the consciousness - enabling it to discover WITHIN ITSELF that which is the POWER OF LIGHT. In the Second Sphere, ideas become crystallized - they take on form. You receive an abstract idea for

**Lanto is now World Teacher

a new home; then your mind would say: "I would like a home of eight rooms with an acre of ground." If the idea pleases you, your feelings rush into it; you energize the form; and the pressure of your feelings gives it life and brings it into manifestation."

8. BELOVED JOPHIEL, I love, bless, and thank You for Your service to me and to all mankind. CHARGE me with Your feeling of the Power of God within my own heart to be Master of all the circumstances I meet by the Power of External Light and Love, and how to externalize the Divine Ideas from the Heart of God into outer form.

9. BELOVED CASSIOPEIA, Elohim of Wisdom says:

"The purpose of the Second Ray is the Perception and active, illumined contemplation of the God Plan and Design. After you have made the decision to DO

the Will of God, next you must receive the Divine Ideas, the direction as to HOW to manifest it. Therefore, the FIRST activity of the mental body, after making the decision to DO, is to become STILL! Within your heart is the Golden Flame of Illumination which will reveal Truth to You."

10. BELOVED CASSIOPEIA, I love, bless, and thank You for all You mean to our Earth and all mankind. Help me to 'follow through' this Science of Precipitation and manifest each day some consciously externalized idea which I have received from the Heart of the Father. I thank You.

1. BELOVED PRESENCE OF GOD - "I AM" IN ME, I love and adore YOU! Oh, great and Mighty Flame within my own heart, I send forth my continuous Love and Adoration to You and the Great God of the Universe and His Messengers. I send my Love to all Life everywhere. I bless all life I contact this day in thought, feeling, word or act. I do not criticize, condemn, nor judge this day! I FORBEAR by thought or word, to let my life go forth with less than God's blessing. "I AM" SEALED IN GOD'S PINK FLAME OF LOVE! "I AM" THE COMFORTING PRESENCE TO ALL LIFE EVERYWHERE!
2. BELOVED PAUL, THE VENETIAN, former Chohan of the Third Ray, and now the Maha Chohan, says:
"Come with Me today away from the cares of the outer self, enter with me into that chamber WITHIN YOUR OWN HEART, THE SECRET PLACE OF THE MOST HIGH, AND while standing there contemplating the

Three-fold Flame which is the garment of your own beautiful Christ Self, just relax in the Love of the Presence of God. As your adoration flows to that Presence, remember that your body is the Temple within which is the Immortal Flame of Eternal Life within which is the Christ Self made in the image and likeness of the Eternal, awaiting your adoration, your love, and your devotion.

"To the very few who even ask It for assistance, It says: 'My Beloved ALL THIS YOU ASK I CAN BE - ALL THIS AND MORE!'

Beloved ones, when your adoration becomes the CONSTANT activity of your innermost self, this Christ Self will grow - will expand. You will not need words to proclaim it. The LIGHT expanding from the ever-increasing Presence, which will respond to your life poured into it, will stand as a radiant and blazing aura about you that ALL WHO RUN MAY READ!"

3. BELOVED PAUL, THE VENETIAN, I love, bless and thank You for all You have done for me and for all mankind. Teach me to be the GENTLE-man (the GENTLE-woman) and to be endowed with your Gifts of Tolerance, Tact, Diplomacy, Forbearance, and the ABILITY TO GET ALONG WITH MY FELLOWMAN!

4. BELOVED LADY MASTER ROWENA, Chohan of the Third Ray, says:

"To become centered within the Immortal Victorious Three-fold Flame within your heart assures the individual FREEDOM from all that is less than Christ Perfection.

"That is why it is so very important for the chelas under Our direction to practice this exercise daily, for the more one uses an activity, the more proficient that individual becomes. It is, or should be, the goal of everyone under the personal supervision of the Ascended Masters of Wisdom and Cosmic Beings to attain the

Spiritual Status of the Christ in action at all times - allowing that glorious Being to be the Directing Intelligence in all your actions.

"It is of the utmost importance that the chelas avail themselves of the radiation and blessings of the Third Ray by contemplation of Its activity of Pure Divine Love and the Balance contained within it. To become the Christ in action in the world of form is to render intelligent assistance in cooperation with your Spiritual Advisors following the directives of the Holy Christ Self to bring Illumination in your own beings and worlds, and to be radiating centers of PURE DIVINE LOVE for the evolutions of this Earth.

"Oh, dear friends, I assure you that once you have truly experienced the Christ Way of Living, all else fades into insignificance and you become ONE with US who are ONE with Life in all its manifestations - remembering always that to attune one's self with the ONENESS of all is to

become identified with the Perfection which exists in all manifestation, for all existence contains within it the active Principle of the Father-Mother God!"

5. BELOVED LADY MASTER ROWENA, I love, bless and thank You for all You mean to me and to all mankind everywhere. Help me to keep my attention centered upon the Holy Christ Self anchored within my heart that I may truly outpicture Its great Perfection in everything I do, think, say or feel in all activities of my world and my affairs.

6.. BELOVED ARCHANGEL CHAMUEL, Archangel of Adoration, says:

"The Adoration Flame is practical! It is one of the most practical activities that can be generated within the heart; soul and spirit of the bound because it is an actual treatment of the feelings as well as of the mind, and an actual THERAPY TO THE FLESH! True Adoration to

God has within it no self-seeking. It is an absolute relaxation basking in the goodness of God and loving Him for Himself; or loving any great God-being who represents some special service to life.

"I challenge any individual in depression, any individual in pain, any individual in chains of any kind to use the FLAME OF ADORATION that is the true nature, of their being. If, in using that, they do not see and feel FREEDOM, then the Sun and the planets themselves will no longer move on their appointed courses."

7. BELOVED CHAMUEL, I love, bless, and thank You for Your blessed assistance to me and to all mankind. Blaze Your PINK FLAME OF ADORATION through every cell of my body and cause Perfection to expand until it fills my being and world. Blaze Your PINK FLAME OF ADORATION through my finances and my supply of money, and cause it to expand into my financial freedom. Blaze Your PINK FLAME OF ADORATION through my feelings that they may expand the LOVE

OF GOD until it becomes a contagion to all the life I contact. Keep me sealed in a Pillar of the Pink Flame of Love, Adoration, Comfort, and Perfection.

8. THE GREAT ELOHIM - ORION - says:

"I bring to you, individually, the fullness of the PINK FLAME AND RAY. I bring It as a melting, dissolving, spiritual alchemy to remove those resentments and pressures of energy within your feeling worlds - deeply embedded within your memories. These pressures are caused by the records of many unhappy experiences of the past which have formed wounds and scars within your etheric (memory) bodies. These wounds and scars burst open upon the slightest provocation - spewing forth again the poison of past enmities, past feuds, and past misunderstandings.

"Man knows not what he carries around with him buried deeply within that realm which science calls the SUB-CONSCIOUS MIND; that realm in which there are atro-

phied the memories of EVERY EXPERIENCE IN EVERY EMBODIMENT from the first day that the lifestream 'fell from Grace' up to the present moment. The Divine Plan brings together again and again certain lifestreams - each one of whom carries these memories of past enmities between them - the Divine Plan presenting, over and over again, new opportunities to MAKE THINGS RIGHT.

"RIGHT NOW, if there is any lifestream in this Earth life with whom you are not in complete accord, CONSCIOUSLY DRAW THE IMAGE OF THAT PERSON BEFORE YOUR MIND'S EYE and let Me give you the pressure of MY FEELING of unconditional, loving forgiveness toward that one. If you will accept this, it will cut you free from the recoil of the energies of those past mistakes."

9. IN THE NAME OF THE PRESENCE OF GOD WHICH "I AM", I call to You, Beloved Paul, Lady Rowena, Chamuel, and Orion, and every Great Being and Power of Light

who works on the Third Ray and with God's Pink Flame of Love, to BLAZE (3) GOD'S PINK FLAME OF LOVE AND ADORATION as of a thousand suns into every part of my being and world, my loved ones, and every person, place, condition and thing; the Elemental Kingdom, birds, four-footed creatures, and every living thing upon our EARTH RIGHT NOW, and hold it there until all imprisoned life is set free by GOD'S PINK FLAME OF LOVE. I Thank You!

1. Dearly beloved Presence of God - "I AM" in me, and Beloved Holy Christ Self within my heart, I love and adore You! You know the REASON for my being, Through the energies of my world this day, LET ME FULFILL IT! See that I do not miss one opportunity; see that I never make a mistake of any kind; and let me avoid, ABOVE ALL THINGS, the sins of OMISSION!

2. BELOVED CLAIRE, THE GREAT ELOHIM OF PURITY, says:

"I AM" THE ELOHIM OF PURITY! "I AM" the living, breathing PURITY of the electron which lives in the center of the atoms of which your physical bodies are composed. "I AM" ALIVE in every cell of your body moving around the central core of every atom of your flesh. "I AM" WITH YOU ALWAYS! "I AM" YOUR LIFE!

"I AM" the living, breathing Electronic Light of PURITY within your mental

bodies. "I AM" the living, breathing Flame of Pure Light invoked by each of you into the great sea of your emotional world. "I AM" the Electronic Light within every cell of your etheric garment upon which you have impressed those records of impurity, and "I AM" NOW EXPANDING MY PURITY from within every cell and atom of all your four lower bodies - EXPANDING, EXPANDING, EXPANDING My True Nature which is the Purification of this Earth, all that is in the Earth, on it, or in its atmosphere. I DECREE that the PURITY within the heart of everyone of your electrons shall now EXPAND (3) until that which appears as limitation can no longer imprison your life in discord, and thus the shadows SHALL CEASE TO BE!"

3. BELOVED ELOHIM OF PURITY, I love, bless, and thank You for Your great service to me and to all mankind. SEAL ME and all mankind in Your Oval of Pure blazing WHITE LIGHT which deflects those

currents of energy which slow the vibratory action of my inner bodies, I decree the PURITY within every electron in my aura, feelings, mind, etheric and physical bodies shall now EXPAND (3) and that which is limitation and shadow in my world SHALL BE NO MORE!

4. BELOVED GABRIEL, Archangel of the Resurrection, says:

"Religion is not a matter of ceremony alone. It is a matter of DAILY, HOURLY LIVING! It is a matter of plain ordinary common sense! It is a matter of discipline, self-control, contemplation, It is, too, the development of Love and Gratitude for Life itself, and for the God who has given that Life and sustained your Presence in the universe for millions of years hoping to fulfill, through you, a destiny which cannot be accomplished through any other individual - some portion of the great Cosmic Tapestry which your life-stream alone can fulfill."

5. BELOVED GABRIEL, I love, bless, and thank You for what You mean to me and to all mankind, CHARGE Your Cosmic pressure of Love into these - my decrees:

"I AM" the RESURRECTION AND THE LIFE of all the GOOD in my lifestream!

"I AM" the RESURRECTION AND THE LIFE of my eternal youth and beauty; perfect sight and hearing; limitless strength and energy; and my perfect health!

"I AM" the RESURRECTION AND THE LIFE of my limitless supply of money and every good and perfect thing!

"I AM" the RESURRECTION AND THE LIFE of all Perfection in my world - and my Divine Plan fulfilled RIGHT NOW!

6. BELOVED ASCENDED MASTER SERAPIS BEY, Chohan of the Fourth Ray, says:

"The ASCENSION FLAME is intelligent, beloved ones, and I have loved It long and lived It well. It can ASCEND ANY CONDITION in which you find yourself. It can ascend that condition from limitation

into Harmony; from distress into peace; from poverty into opulence; from discord into perfection. It is one of the activities of DIVINE ALCHEMY which the student body, for the most part, have not thought about using. If there are heavy conditions in your world; if your soul is weighted down; if there are depressions (sometimes not your own) in the group of people with whom you work; if there are financial depressions that are made apparent to you through your telecasts; then CALL TO THE BROTHERHOOD OF LUXOR to send the ASCENSION FLAME to bring into life and the ascendancy the buoyancy which resurrects the depression and brings it into a natural state of happiness and harmony. The Ascension Flame, like the Resurrection Flame, is a most marvelous antidote for depression - individually and collectively."

7. BELOVED SERAPIS BEY, I love, bless, and thank You for the Beloved Ascension Flame which is the WAY BACK HOME for me and for all mankind.

8. In the Name of my own Beloved Presence of God --"I AM"; and that of all mankind, I call to You, Beloved Serapis Bey and the Brotherhood at Luxor to KEEP THE ASCENSION FLAME BLAZING (3) through my feelings, my mind, my etheric body, my physical body, my home, my business, and all my affairs. Let Its stimulating activity RAISE EVERYTHING in my world into Love, Happiness, Opulence, Victory and Perfection of every description - eternally sustained. Take me through into the Victory of my Ascension when my service here on Earth is completed. Keep THE ASCENSION FLAME BLAZING (3) through the BUSINESS WORLD and the minds and feelings of every part of life evolving on the planet Earth to more quickly bring Perfection. I Thank You!

1. Dearly Beloved Presence of God "I AM" in me, I consecrate my life this day to the service of God-Good to let only Perfection take thought in my brain; that my feelings will remain calm and loving, kindly, helpful, and happy; my eyes to see Perfection; my ears to hear Perfection; my lips to speak only Perfection; my hands to bless and heal; my feet to be messengers of Good; my body strong and willing to be a helpful instrument to carry God's Perfection everywhere.

2. BELOVED HILARION, Chohan of the Fifth Ray, says:

"If an individual seeking Godliness, Health, Happiness, and Supply, could first understand the power of sustained attention, and then, through self-conscious endeavor, wrest the attention away from the many pulls of the appearance world, and anchor that attention on the PRESENCE OF GOD, God's Presence would

flow through him on the return currents as the fullness of all he could desire. The Ascended Master Saint Germain has said repeatedly: "Where your attention is, there you are; what your attention is upon - that you BECOME!" Radiation and God's Love and Mercy flow through the Universe, and man is entirely unaware of it. This outpouring of God's Forgiveness affects the just and unjust alike, but the LEVER for the man who desires to move forward in self-conscious action lies in the controlled power of his attention!"

3. BELOVED HILARION, I love, bless and thank You for Your help to me and to all mankind. CHARGE me with Your Love and Understanding of the EXACTNESS of the Cosmic Law and the feeling of consecrated Service to God and man. CHARGE me with YOUR MOMENTUM of presenting the Truth to mankind so that all who hear will accept it. I thank You!

4. BELOVED RAPHAEL, Archangel of Healing and Consecration, says:

"Consecrate yourselves daily! If Your eyes behold iniquity, you know where "I AM" and just silently say: 'Father, forgive me for the transgression of Your Law of Love; and Beloved Raphael, consecrate my eyes to see only Perfection!' If you listen to gossip or discord; if your hands are impatient in gesture and you release anger; if your lips and tongue use sharp words, say: 'Father, forgive me for the misuse of Your energy!' What if you do have to repeat it? Paderewski did not become a master musician in one day! The only lifestreams who are in extreme danger are those who do not wish to pick themselves up, dust off their knees, and try again. I will re-consecrate any member of your vehicles twenty-four times an hour if You will ask Me, and you require it! I do not mind - IT IS MY REASON FOR BEING!"

5. BELOVED RAPHAEL, I love, bless and thank You for all that You have done for me and for all mankind. Seal us in Your Flame of Consecration and Perfection, and help me to be conscious ONLY of PERFECTION. I THINK PERFECTION! I FEEL PERFECTION! I SEE PERFECTION! I HEAR PERFECTION! I SPEAK PERFECTION! "I AM" and I MANIFEST ONLY PERFECTION THIS DAY!

6. BELOVED VISTA (Cyclopea), Elohim of Concentration, Music, and the All-Seeing Eye of God to our Earth, says:

"What can be accomplished on Earth even in mundane activities of your daily living without CONCENTRATION? If there is no Concentration, there is only mediocrity; only the bare surface is scratched. Those who determine to rise above the masses take one facet of living and masterfully develop - deciding within themselves to excel along at least one line of expression. According to the CONCENTRATION OF THOSE ENERGIES is their

development - is their mastery - is their efficacy.

"It is Law - actual scientific Law - that what you begin CAN BE ACCOMPLISHED when it is an agreement with God's Plan of Perfection - whether it be healing, precipitation, financial freedom, eternal youth, or the restoration of a limb, IT CAN BE DONE, but the 'stick-to-it-iveness' of My Ray is required to produce these results!"

7. BELOVED VISTA, I love, bless and thank You for Your great service to our Earth. CHARGE me with Your Power of CONCENTRATION and to become Master here and now. I thank You!

SIXTH RAY

PEACE

HEALING

GRACE

MINISTRATION

1. BELOVED PRESENCE OF GOD - "I AM" in me, I love and adore You, pour forth through me this day Your Pink and Gold Flames to bless every cell of my physical body and all the Powers of Nature that serve me so well. May all who touch the 'hem of my garment' feel Your Love, Your Peace, and Your Perfection, for "I AM" THE PRESENCE OF BLESSING; AND I BLESS EVERYONE AND EVERYTHING I CONTACT THIS DAY!

2. BELOVED JESUS, former Chohan of the Sixth Ray, says:

"The demands upon the time, energy attention, and service of the chela who is engaged in a Spiritual Endeavor, form a great stumbling block to his individual progress unless he learns to consciously quiet the energies of his own world so that new strength, faith, and power may be supplied by his own "I AM" Presence and the Divine Beings who are so willing

to assist him. I know this from My own experience. During My Ministry, as today, the world and its people require so much assistance. There is a tendency to RUSH FORTH to serve without the necessary period of 're-fuelling' at the Cosmic Fount. From some reference to My experiences, you will remember that I often 'went to the hills to pray'. No chela can be of lasting service to the spiritual work at hand unless he understands the necessity of taking time - UNDIVIDED - from the world (which you will always have with you) to enter the SILENCE and draw the necessary strength and sanctity from the Source of ALL GOOD. This he can then dispense in poise, dignity, and loving solicitude for his fellowman."

3. BELOVED JESUS, I love, bless, and thank You for all You mean to me and to all mankind. CHARGE me with the Ascended Jesus Christ Consciousness and Love, and the Power to do the things that You have done.

4. JOHN, THE BELOVED, now the Chohan of the Sixth Ray, says:

"When you serve with the Great White Brotherhood, - you start training your own four lower vehicles first. You are the conductor of the energies of Love and Light and naturally your own four vehicles have to be in a semblance of order so that you may help someone else. But when you get such an order and ask for it to be sustained by Grace, remember there are ten billion souls ---who will be walking after you. So don't leave one pitfall of which you are cognizant into which they unwittingly in their desire to serve life might fall; one misinterpretation of a word, a sentence, which might be utilized as license instead of freedom, for this is a Pact between Heaven and Earth made by you and your Maker.

5. JOHN, THE BELOVED, I love, bless and thank you for your great service to the Earth. Keep us sealed in the Power of the Sixth Ray, that heals, loves and blesses all Life FREE!

6. BELOVED URIEL, Archangel of Ministration, says:

"The Ministering Angel has to WILL Himself to serve ONE lifestream. There is one for everyone who belongs to the human race, every laggard from other systems, and every Guardian Spirit, a particular and specific Ministering Angel who volunteers to be that Protecting Presence in, through, and around that lifestream for so long as he or she chooses to remain on the Earth or part of its evolution. That being is often referred to as the Guardian Angel. How would you like to work with just ONE person for countless millions of years? Your Guardian Angel does not even attend a Retreat when it is active if the lifestream He is guarding does not go! Think on that! That is a case of imprisonment through LOVE which has no parallel. The Ministering Angel is obligated by Law to follow each one around - at every opportunity sending a

Light Ray into the consciousness with the thought that perhaps they will seek a little higher."

7. BELOVED URIEL, I love, bless and thank

You and my MINISTERING ANGEL for Your selfless service to me through aeons of time. Help me to help my Angel keep me steadily on the Path of Purity, Harmony, and Happiness.

8. BELOVED TRANQUILITY, the Great Elohim of Peace, says:

"I AM" the ELOHIM OF MINISTRATION AND PEACE! You who have given your interest and your life to the activities of the Seventh Ray, represented by Our Beloved Ascended Master Saint Germain, are slowly, but surely, emerging from the mire of human creation and limitation. We are endeavoring to build a great foundation for this World Movement; trying to make of each of you a mighty pillar

of the Violet Fire. But I can tell you here and now that unless you hold UNINTERRUPTED PEACE as separate individuals and collective units - no matter how perfectly you build - you would have but ash in the end as long as there was still within the consciousness of any worker the disintegrating radiation of the 'seven mortal sins' (lust and passion; anger, malice, hatred, fear, greed, gluttony, covetousness, lethargy and laziness, envy, pride and arrogance) and all their ramifications.

"Peace is not a negative quality. It is the most POSITIVE and most concentrated activity of Power. How much Power of control does it require for you to HOLD YOUR PEACE; TO REMAIN ABSOLUTELY POISED AND MASTER OF EVERY SITUATION REGARDLESS OF THE AGGRAVATION IN THE MIDST OF YOUR IMMEDIATE FAMILY, BUSINESS AND WORLD AT LARGE?"

9. BELOVED PRESENCE OF GOD - "I AM" in me and in all mankind. Beloved Jesus , Nada, Uriel, my own Ministering Angel, and Great Elohim of Peace, I love, bless and thank You in the name of all mankind for Your service to our Earth for so long. BLAZE (3) YOUR COSMIC FLAMES OF LOVE, GRACE, MINISTRATION, HEALING AND PEACE INTO ME AND LET THEM RADIATE THROUGH ME TO BLESS AND HELP HARMONIZE EVERY PART OF LIFE I CONTACT.

Great Elohim of Peace, enfold all my constructive efforts in Your great Flame of Love and Peace. BLAZE YOUR FLAME OF PEACE(3) as of a thousand suns into the brain and feelings of every living thing on our Earth and everyone who will come here in the future - and hold it sustained until PEACE ON EARTH -- GOOD WILL TO ALL LIFE IS A LIVING REALITY TO BE FOREVER SUSTAINED AND EVER-EXPANDING.. We Thank You.

1. Dearly Beloved Presence of God - "I AM" in me; TODAY "I AM" RENEWED! TODAY "I AM" ALIVE with that primal pure majestic life given to me of the Father. For yesterday's life misused, I CALL ON THE LAW OF FORGIVENESS and accept the most powerful activity of the Transmuting Violet Fire, for TODAY, within my magic Mantle of Light - MY RING - PASS NOT OF FLAME, I have the gifts of God's Life - unsullied - pure - clean. Today I MAY BECOME; today I SHALL BECOME that which God intends -- MY HOLY CHRIST SELF IN ACTION, for "I AM" THE CHRIST CONSCIOUSNESS (3) now made manifest and eternally sustained. Keep me SEALED in a Pillar of Violet Fire that transcends all human creation in, through, and around me, or that which is returning for redemption, until "I AM", wholly ascended and free!

2. BELOVED ASCENDED MASTER SAINT GERMAIN, Chohan of the Seventh Ray and the Master in charge of the Earth and its evolutions for the next 2000 years, says:

"Take time to be holy! LEARN, I ask of you, to GET STILL even when there is no apparent emergency! PRACTICE just STILLING your thought processes from racing; just stopping your etheric memories from resuscitating all of the discords; just stopping the restless motion of your physical body; and then if you can, without making your mental body immediately start working again, just turn quietly TO ONE BEING and tune in until you can anchor yourself in PEACE. ONE SUCH PERSON could save a city!

"I AM" DETERMINED that the realization and the science of the use of the Violet Fire shall find anchorage in some unascended being as an ABSOLUTE IRREFUTABLE SCIENTIFIC MANIFESTATION --- which cannot be denied! "I AM" more eager for you to learn to use this Violet Fire than you will ever be because YOU HAVE TO BE MYSELF in the world of form --as I, by Cosmic Law, must remain behind the veil.

"You who are My friends - ACCEPT ME!!
Let Me walk the Earth through you; let

Me help you with this Divine Alchemy. Come to the Violet Fire Temples at night and I will sit with you and explain over and over the science and Divine Alchemy of this Violet Fire. KNOW that there is a place for you in the Home and Heart of Saint Germain!"

3. BELOVED ZADKIEL, Archangel of Invocation and Transmutation, says:

"Do you know that the LIFE within an UNKIND WORD comes to you to be REDEEMED AND SET FREE? The life within an unkind look or gesture comes to you - a Priest or Priestess of the Order of Zadkiel, the you might BLESS IT FREE!

"Let us not personalize energy, that which comes within the compass of your daily thoughts and experiences. Do not rebel against it or feel unjustly treated if circumstances are such that energy qualified with discord comes within the compass of your aura. It comes because there are few foci in this unascended

Octave that know how to redeem it, to raise it; to purify it; to set it free.

"Where there is a focus of the Sacred Fire, where there is a lifestream who has a knowledge of the Violet Flame; there that energy has an opportunity of being redeemed and returned to the Universal First Cause. Oh, what joy to move in the Universe freeing energy; loving it free; and standing in the serene mastery of your own Godhood! Words that are spoken even lightly (jokingly) to or about another part of life WHICH DO NOT BLESS IT are, therefore, a malediction. I ask that all lifestreams be released from the recoil of such mistakes!"

4. BELOVED ARCTURUS, Elohim of Invocation, Rhythm and Freedom, says:
"I AM" the Elohim of INVOCATION and RHYTHM who brings to you and all life, through the use of the Violet Fire, INFINITE FREEDOM - when you desire it enough! "I AM" He who answers the call"

of the heartbeat of any individual when that heart deeply and sincerely, from within itself, desires to release life which has become bound -giving it FREEDOM from disease, from lack, from fear and limitation of every kind and description. Within that life itself is the FULNESS OF ALMIGHTY GOD!

"Today I urge you, with all the intensity and pressure of My Being, to DEVELOP YOUR LIFE; develop the qualities of Perfection which are within it. Call forth what you wish from the Heart of that Life which flows from the Universal, and call to Me if you wish to release into the outer manifestation from within your own life whatever powers, qualities, gifts and activities are required to perfect your own individual world and that of your fellowman. Wherever there is ONE LIFESTREAM who sincerely desires FREEDOM, and in constant RHYTHM, invokes and commands it, THERE I SHALL BE to give that one assistance until that FREEDOM IS PHYSICALLY MANIFEST!"

5. BELOVED ASCENDED MASTER SAINT GERMAIN, BELOVED ZADKIEL, BELOVED ARCTURUS AND ALL who serve on the Seventh Ray, I love, bless and thank You for Your mighty service to me and to all mankind.

IN THE NAME OF THE PRESENCE OF GOD WHICH "I AM", and by the magnetic power of the Sacred Fire vested in me as a Priest (Priestess) of the Order of Zadkiel, I make this call: ANGELS OF THE VIOLET FIRE (3) COME (3) and keep the VIOLET FIRE OF FREEDOM'S LOVE BLAZING(3) through my aura and feelings; my brain and mental world; my etheric body; every cell of my physical body; my home, business, finances and affairs; and DO THAT FOR EVERY PART OF LIFE ON THE PLANET UNTIL ALL HUMAN CREATION THERE, its cause and core. is dissolved and transmuted into Purity and Perfection, and our Earth is truly FREEDOM'S HOLY STAR! I thank you for the answer to this - my Heart's Call - for THE VIOLET FIRE OF FREEDOM'S LOVE NEVER FAILS (3) TO PRODUCE PURITY AND PERFECTION; and "I AM" THAT VIOLET FIRE!

6. BELOVED ASCENDED MASTER SAINT GER-
MAIN and BELOVED GODDESS OF OPPOR-
TUNITY: I pledge my LIFE, my LIGHT, and
my LOVE to You by endeavoring to release
the momentums of Perfection in my life-
stream to assist You, in bringing FREEDOM
TO EVERY PART OF LIFE on our dear planet
Earth as quickly as possible. SO BE IT!
