FILL YOUR BEING WITH DIVINE
LOVE, COMFORT AND PEACE.

CONSCIOUSNESS OF VICTORIOUS ACCOMPLISHMENT
by Beloved Jesus

Beloved Children of God, I come to bring to you My consciousness of Victorious Accomplishment! That which I have done - that which I have manifested through a flesh form similar to the one which you presently wear - was not miraculous! It was something similarly ordained for every lifestream upon this planet. My endeavor to bring that manifestation of Christ-fulfillment before the eyes of men, was merely to provide an example by which every man, woman and child might be stirred to make effort toward a like development and a like maturity of their own Godhead.

One of the greatest mistakes which has "bogged down" the activity of the Christian Dispensation is the placing of Godhood upon Myself alone and denying it to My fellowman. Of course, as We come into a more enlightened age and some of the superstitions and dogmas of the Orthodox thinking have been swept away by the braver men and women who opened the door to the Spiritual Path, there has come a spiritual realization that Christhood is possible for others besides My humble Self. Before I was even born into My final embodiment, there were many, many lifestreams who had achieved the state of Christhood; full Mastery and God-control, having sublimated the flesh form-knowing the victory of the Ascension! However, for the Christian Dispensation, it was My great opportunity to manifest the Resurrection, which is done so easily every Spring by your Nature Kingdom. I was to come and bring the Divine Presence right into the substance of Earth, developing It into a God-man, made in the Image and Likeness of the Father

Who, in the first place, created Me. He also has created you in like manner.

The Perfect Divine Pattern

For every Divine creation - whether it be Angel, Deva, Seraphim, or human being - there is the Archetype of Perfection for that creation. In the case of the human being, Saint Germain has chosen to call It "the individualized "I AM" Presence." This Divine Pattern of Perfection is fashioned out of living light and within Its heart is placed the Immortal Three-fold Flame of Life. Within that Flame is intelligence and within It is consciousness! In lesser degrees of expression such as flowers etcetera, there is also a Divine Pattern created. If it is in the Nature Kingdom, the Divine Pattern is formed by the Devas Who are designing (let us say), the daffodils, which will be the glory of the country-side in the Springtime. The Divine pattern is fashioned at Inner Levels out of primal light by the thoughts and feelings of those Devas; energized by the directed pressure of some Elemental life and then is focused within the bulb. The Elemental who is in charge of breathing his life essence upon the bulb causes the Divine Pattern of perfection (already within the bulb) to expand, until the perfect replica and manifestation of the daffodil appears, -that Divine Pattern which is in the Inner Realms.

So, those who have given great honor to My particular Mission might consider this with a little more wisdom and understanding. They would find that every daffodil which bursts into bloom; every flowering shrub; every tree that follows its natural pattern does, through the Nature Kingdom, that which I did through a flesh

body! You, too, must do this some day! Within your own individualized "I AM" Presence, you have your Divine Pattern and Plan. You have been created and directed from the heart of the Universal First Cause by some Great God-parents. Some of you came from Alpha and Omega's Cosmic Hearts; some from Isis and Osiris; some from Apollo and Diana; some from Krishna and Sophia; or from Helios and Vesta. (Note: The above Sun Gods and Sun Goddesses are Those in charge of Systems closer to the Great Central Sun than the System to which the Earth belongs - Helios and Vesta being the God-parents of our System. Alpha and Omega represent the Great Central Sun Itself.) Your individualized "I AM" Presence was created in the Image of the God-parents Who directed a Three-fold Flame from Their hearts into universal light substance and around that Flame coalesced your glorious Electronic Body of light. Then later, there was projected down into this physical appearance world a portion of that magnificent Flame. It contains within Itself (even as the bulb contains within itself the perfect design of the daffodil), the picture and the seed of your Divinity and of your God-self. Are you less, then, than a flowering bulb or a seed that produces after its kind? Are you less than a blade of grass; less than even the embryo chicken which bursts from the egg, following the pattern of its parents? Ah, no! You are far greater!

However, you have one thing which is not the gift of the Nature Kingdom - free-will! Through the use of that gift of free-will, you have chosen not to let the God Who created you (the Divine, perfect "I AM" Presence Who is living within your heart) expand into Its full perfection. From time to time, Beings have been chosen at Inner Levels Who have a certain consciousness

of the capacity of "letting go and letting God" and these volunteer to come to Earth through physical embodiment to show the people the way to attain Mastery; showing them how to develop into the full flower; the full bloom of the Christ.

Your Mission Similar to Mine!

Now, your Mission is similar to My own! Before I came into the world of form, I was "charged" with a Mission - that is - to manifest unto all mankind the full perfection of Our Father which is in Heaven. You were also so "charged" when you were created! When your Beloved Infinite "I AM" Presence projected down into your physical heart the Immortal Three-fold Flame, that Flame contained within It the embryonic Christ Whose light We are now endeavoring to expand until it has stirred the outer self from its soul-sleep. We are trying to expand that light to a point where Its pressure is more powerful than that of the shadows of the physical and astral Realms in which you presently abide.

Beloved ones, let us not feel that "becoming the Christ" is such an effort! Is it an effort for the bulb to release the green shoot; the lovely golden head of the daffodil; or the lily with its fragrance? Is it an effort for the Nature Kingdom each Spring to manifest the Spirit of Resurrection and, where trees with leafless branches signify the absence of life, to bring perfume and color in blossoms that garland your countryside with such beauty that it brings you closer to the Kingdom of Heaven?

Beloved ones, why is mankind alone content to allow the embryonic Christ within his heart

to remain quiescent within Its 'shell'? Why is he content to let it remain within the "bulb" and not let the flower of his Divine manhood unfold? The perfume, beauty, dignity and gifts of God through each one should expand to bless the Earth and Her people - sick unto death with travail and all manner of distress.

What is the "second-coming"?

One Christ is not enough, even in a two-thousand year period! The "second-coming" means the awakening of many men and many women; many sincere and determined lifestreams who have had enough of their own way and who, in the privacy of their own rooms, are willing to kneel before their own God, asking that that Presence have Its Own way with them; externalizing the glory of the Divine Pattern and Plan through their outer selves.

This was My Message - it was My Mission! It was the reason for My coming into being; the reason for which I went through every experience of the Earth life, even to allowing men to mutilate My flesh form. I allowed this to prove that the Immortality and Divinity of the Godhead could be manifest through one of the sons of men. This is My endeavor now, in drawing your attention, each and every one of you, to your own Christ. It is not as if you had to generate something inside yourselves that is not already there. It is not as though the gardener had to insert the pattern and picture of the daffodil into the bulb...it is already there! the very fact that you have being and a beating heart proves that this Divine Image and Pattern is within you and It but requires the courtesy of your lifestream at this time. All over the world

tonight, earnest and sincere groups of men and women have gathered together while We are endeavoring to pour Our energies into their souls, dislodging in that process the desire to continue to use free-will destructively!

Dear hearts, the removal of the destructive use of free-will is the petition which you individually and collectively have made to the Karmic Board. I would like to explain to you that the desire to use the free-will destructively (which continues to create and sustain imperfection) is in the feeling world. Thus you may understand a little more clearly how it is possible for you, through application, to raise the vibratory action of your own world, the student body and then of mankind at large, to a point where destructive desires no longer exist. You know that the more rapid the vibrations of energy, -- physically, mentally, emotionally or etherically, - the less of discord there is! The slower the vibratory action of the atoms and cells which make up your physical and inner bodies, the more prone they are to accept and become the recipients of vibrations of a low, heavy and discordant nature. Therefore, the acceleration of the vibratory rates of your inner and outer vehicles is part of the reason for your decree work, your songs and, in general, your collective group endeavors.

Acceleration of Decrees and Songs
is Beneficial

When a group of students gathers together for a meeting, a Great Master Presence or Deva stands within the atmosphere. As the decrees, fiats and songs go forth in a fairly rapid but balanced tempo, the rate of vibration of the atoms making

up your physical and inner bodies increases and there is thrown off much mis-qualified substance which is instantly transmuted by the Great One in charge of the meeting. You would be amazed could you see with the inner sight, how much impure substance of your worlds is thus transmuted by that beautiful, ever-present and all-willing Violet Fire. This impure substance has been lodged in your physical and inner bodies.

Benefactions of Violet Flame

This Violet Transmuting Flame is always blazing up around every Sanctuary, once it has been called forth there, even when you are not present. It is so wonderful to know that the Violet Fire is always there. Whenever purification is called for, that Violet Flame goes into action. It frees the Elemental substance from all impurities, returning it to the Sun for repolarization by Divine Love.

Explanation of Atom and Electron

Now, to explain the activity of the atoms We shall go back to our illustration of the electron and the atom which has been given you previously. The Causal Body** (represented by the circles of color around the upper figure in the Chart) may be likened unto an enlarged electron. Many of those electrons, swinging around a central core, form one atom. Between each electron there is a great distance (relatively speaking). As the electrons swing within their atom, they are either expanding their light or they are closed in by the discord and substance of the astral and psychic Realm, which is forced like pie-shaped wedges, between these points of light.

Now, when your thoughts, your feelings and your etheric memories dwell upon imperfection, you slow down the vibratory action of your electrons and then the substance of the psychic and astral Realm closes in around them, lowering the entire vibration of your four lower bodies. In this way you become an easy prey to depression, poverty, ill-health; to any number of the various negative aspects which mankind at large mirror and outpicture today.

** (Note: The "Causal Body" is composed of a series of circles of constructive colors around the individualized God Presence of each lifestream (the "I AM" Presence), that which Beloved Jesus called "The Father". This Causal Body is the repository of all the good created and developed by that lifestream - that created by the Presence and Holy Christ Self of the individual at Inner Levels, before taking physical embodiment; as well as all the good created, developed and expanded by the human personality through all its centuries of embodiment here on Earth (or on some other planet, if the individual came here from another Star). Beloved Jesus says in one of the Gospels in the New Testament that man shall be accountable for every word that proceeds from his mouth; also that every "jot and tittle" must be accounted for. So it is! Not one electron or atom escapes from experiencing the results of the vibrations sent out by, from or through it. The Law of the Circle is absolute and all must return to its Source one day -- either for purification or reward. That which is GOOD is deposited in the Causal Body and that which is discordant (because of its very density and low rate of vibration) stays around the physical body and its environment. It is this accumulation of evil which

forms the Astral or Psychic Plane! This discordant accumulation (individual as well as the collective discord in the Astral and Psychic Realm, must all be purified and redeemed one day, before the Ascension can take place). This purification is accomplished through the constant, dynamic use of the Violet Transmuting Flame. When 51% of the energy of one's lifestream has been drawn into the Causal Body, qualified with perfection, then that individual's Ascension into his Presence (his Source of God's Perfection) has begun.

Constant Vigilance Required Over Four Lower Bodies

Now, in order to quicken the vibratory action of your inner bodies, you must use that Immortal Three-fold Flame within your hearts and you must make conscious effort to accelerate the rate of the electrons as they move around the center of the atom. This is done through your decree work; through your songs, visualizations and applications individually or in groups. It is done also by a constant vigilance over the type of feelings you allow to rest in your emotional world and the type of thoughts you dwell upon. This vigilance is necessary all through the day - not only during the hours while you are in class - at which time you are directed primarily by someone in charge, whose endeavors keep your attention above the consciousness of the mass mind. The type of memories which you have and the type of physical environment with which you surround yourself also affects these inner vehicles. As you keep a vigilant watch over the activities of these inner bodies and you keep the vibratory action of each

one of them up above vibrations of the psychic and astral realm, then there should be no difficulty in expanding the Christ Flame from within your heart. If you allow these bodies to descend into the Realms where discord and negative creations abide (through discordant thoughts and feelings) then you have age, disease, limitations and distresses of every kind and description.

Your physical body is interpenetrated by your etheric body. These are enfolded by your mental body and your emotional body. All of these are made up of atoms. Those atoms are composed of a series of electrons in constant motion, spinning around its tiny centripetal heart. Now, the quality of the atoms of every one of your bodies is constantly subject to change; to purification and etherealization; or to become more gross and more heavy. That is why individuals are sometimes very beautiful when they are young (around eighteen years of age). Their faces then are clear and unlined; their bodies are alive and buoyant; but after they have passed through the discordant experiences of some twenty or thirty years, you find that the vital flesh atoms have been lowered in vibration. This makes the flesh form less beautiful than it was before the discord was registered upon it.

Your emotional body is in a constant state of motion, as is even this seemingly inanimate lectern upon which I place My hand. Science has confirmed that there is no such thing as inert or inanimate matter. Your emotional body is made up of millions of tiny electrons in constant movement - these form the atoms. Now, if that motion of the electrons is in accord with the rhythm of your God-Flame and is in accord with the constructive radiation of some Master, that

is fine! Then your emotional body deflects all destructive feelings projected at you, as well as all the discordant energy which you contact. You are then the Master-control of all energy wherever you are! In other words, your feelings ride upon the surface of life, just as a cork floats upon the water and it requires no effort to sustain itself in that buoyant, happy state. However, if the vibrations of the emotional bodies are allowed to submerge that body beneath the buoyant poised happiness of the Master (un-interrupted harmony) the form of atom changes and you have a heavy and uncontrolled vehicle, which is part of the mass psychic and astral Realm of mankind. In order to refine and purify such an emotional body, the student has to keep using the Violet Fire through it constantly!

Strength of Love Required for Victory

Here, let Me digress for just a moment. Sometimes it is quite amazing to Me to see what some people think I feel! My goodness! If I had been the luke-warm, sad-faced individual mankind picture Me to be, I never would have gained the victory! Beloved Friends, Divine Love takes great strength! To honestly love in the face of betrayal, abuse and distress takes great strength. Love is not a negative, luke-warm consciousness which mankind so often accept in referring to the shepherd and the sheep. The shepherd is eternally vigilant and his love for his sheep takes him into many dangerous places, believe Me!

Now, going back again to this emotional body of which We were speaking - if you find that yours is heavy; if it has explosive tendencies and if it has various qualities in it, apt to rush off

hit or miss, according to the pressures of the moment, all right! Let us be calm about it! You have created it throughout many centuries of living. It is made up of intelligent electrons forming atoms and these you have collected through ages of time. They are yours! No one can take them from you, - probably no one wants to!! The very fact that it is yours; that it is intelligent and that it can be sublimated (refined by fire) should be an encouragement to you. Students get so discouraged the moment they see any expression of the "Dweller on the Threshold" (their own human creation) - the moment they see something in their worlds which needs correction, They go along for many years or perhaps a whole lifetime in joy and happiness when their strong points are confirmed; but it is the weak points which keep you from your Ascension!

Dear hearts, We come to give you assistance in correcting that which is wrong in your world and help you create strength of character.... Every time you have a flare of discordant feeling, it blasts through your emotional body, setting all the electrons and atoms ajar. What happens then? After these little electrons and atoms get over their shock, they are vibrating in a broken rhythm and any of the psychic and astral Realm around them, vibrating at the same rate, connects with them and becomes part of the substance of your own emotional vehicle. Meantime, through the natural proximity of the mental body to the emotional, the electrons of the mental body are also set into motion and you have another set of discordant vibrations. When the mental body is inharmonious, it tunes into other discordant thoughts and draws those types of atoms into itself. This stirs up etheric memories, somebody did the same thing to you twenty years ago,

and the etheric body starts into motion. (Audience laughed.) Well, beloved ones, I am glad you can laugh, but this is what happens to the average chela and student in a period of twenty-four hours, once if not more often. Then, all of these discordant bodies react upon the flesh and you have indigestion, a headache or some other physical distress. The flesh body is prostrated for the time being. Then, all over again, you have to start to recreate a harmony among the members of your household.

The Beloved Maha Chohan brought out a good point of instruction, last night. You know, sometimes it is necessary for Us to come together and discuss the class work, as well as your progress individually. He said one of Us should be sure to bring to the attention of the students the fact that repression of emotions is not the answer to this endeavor to sublimate the outer self. You see, repression of thoughts, emotions or actions will only cause frustration, which will react in either physical distress or some mental or emotional block in consciousness. Transmutation of your energies is the safe way to get these vehicles into alignment. Now, you can use various methods of transmutation.

Ways to Govern Lower Bodies

If you are a very dynamic, powerful and positive individual and you have a great amount of energy to handle, you can transmute that energy in some type of constructive service. Those of you who are gifted musically - when you feel a surge of irritation approaching, - still yourself for a moment and then do something good with that energy. Play the piano; write a kindly letter; do something you know will make someone else happy; do something constructive and make

the energy in the emotional body render some good service, rather than allowing it to explode in the unbridled emotion of the moment.

Please, dear hearts, do this with the mental body as well. If you have recurrent thoughts of self-pity or depression and if you continue to go back to thought patterns of impurity (some lifestreams have more to handle along this line than others), take charge of those thoughts right then and there! If your mind is inclined to dwell on the negative side of life; on either impurity, poverty or limitation of any kind; put your mind to work on something just the opposite. Give it a book to read; give it something constructive to do and re-channel that energy to where you want it to go! Give your mind constructive decrees to learn and repeat. As long as it wants to work, then give it one of the books of the Ascended Masters to read and let the energy work itself out harmoniously.

The same thing is true of the etheric body. Individuals who have a lot of leisure on their hands, - particularly those in mental institutions, old peoples' homes, prisons, etc., - those who have not enough to do - allow the etheric body to continue to spin out records of past injuries which have caused those conditions to manifest. The entire atmosphere in and around those places is permeated with that effluvia of depression. This is also true of students when they go on vacation or have too much free time. If the etheric body has not been fully purified, there will come out of this sub-conscious Realm many things which cause you to feel a sense of being "hard-done-by", through the injustices of other parts of life. This is something to guard against! You can do the same with this etheric

body as you did with the other bodies, -- either use your music or your reading, or render some constructive service to your fellow-man. This will keep your etheric body from that disintegrating practice of energizing past errors.

If you will do this, beloved ones, eventually you will get the electrons and atoms of all your bodies polarized and harmonized long enough to let God, through you, fulfill Himself. The Godhead must get all your vehicles to a point of uninterrupted harmony long enough to allow that beautiful Presence to fulfill Itself in glory through you, in dignity and in Mastery.

WHAT FAITH CAN DO FOR YOU --- by The Cosmic Being Faith

Faith is a quality that is inherent within life. There is no one who does not have faith in something. In its primal essence, life contains -- undeveloped -- every quality that is constructive. The evolving egos seem to lose the use of some qualities (temporarily at least), during their long journey through the Earth plane, such as Freedom, Victory, Purity. However, there is no evolving ego who ever entered upon the pathway of life's experience, who has been without Faith by which he has moulded daily the energy of his own being. Individuals have always had, now have and will always have faith in something.

Here we come to the clear understanding of the quality representing Faith. It is a channel through which the life energy of the evolving ego flows to energize whatever the individual chooses

to accept as being true for him and, according to his faith, as Jesus said repeatedly, it shall be done unto him.

The directive power of the attention and the receptive power of the senses are instruments of Faith. However, Faith itself is a conscious pouring forth of life essence which energizes and magnifies that which the evolving ego believes to be real and to which, through his faith, he gives his own God Power whereby it is enabled to live in this world of experience. If you will examine the great men of all ages, as well as the tryants of history, you will see that they all had Faith -- one in God Power acting through them -- and the others in their own ability to achieve glory and dominion. Each of them used the quality of Faith to achieve their respective ends.

It is not a matter of acquiring Faith, but it is a matter of training the evolving ego to allow the Faith of that one's being to flow only into those manifestations which he or she wishes to sustain.

In his intellectual arrogance, man is so prone to use the reports of his senses as irrefutable law to prove his faith is founded on fact. When such an one sees an appearance of illness, such an one feels justified in his own mind -- "I have seen it with my own eyes and it is therefore childish for me to affirm that it is not real." The Faith of his evolving ego thus joins his energies with the discordant appearance and Faith, being the energizing power of God, then makes the condition real to him, by the very quality and pressure of his acceptance.

This same man, looking at an individual walking down a road, sees that individual seem to diminish in size until he becomes no larger than a thumbnail....His physical sight reports that his friend has shrunk to the size of a thumbnail, yet the man has no faith in the report of his physical sight because he knows that it is an optical illusion. Therefore, should the visionary faculties of man be taken as infallible conductors of Truth to affect the quality of a person's faith?

To take another simple illustration, let us use the faculty of hearing. An individual will accept the report of a gun, an explosion or a cry of pain as real because he heard it with his physical ears; yet he is constantly moving in an atmosphere filled with music but does not hear that music until the medium of the radio lowers its vibratory action to a point where the hearing sense can absorb it. Then is the hearing faculty accurate enough to allow it to mould the quality of a man's faith? You might follow the same trend in regard to the senses of touch, smell and even further into the realm of feeling. For instance, a person may have a strong feeling of fear concerning an impending disaster or distressing circumstances over which one seems to have no control. These fear feelings prevent the individual's placing his faith in God's power to protect and supply him. Therefore the pressure of his faith is flowing forth into that discordant condition to energize it and make it seem real to him. This is because the feeling nature is also subject to erroneous reports which have no foundation in truth or fact.

If man could learn the truth of Jesus' statement -- "according to your faith be it unto you" he would realize what a powerful force is the quality of his faith and how the natural state of his consciousness of being determines continually the manifestation he is energizing.

The attention is a spiritual faculty which is constantly directed by the mind and is the channel through which God's energy flows. The attention carries on the beam of its own magnetic force the radiation of the sender to the object upon which the beam is played. Faith is a constant state of one's being every second of eternity. When the evolving ego is so impregnated with the inner conviction of consciousness that GOD IS THE ONLY POWER THAT CAN ACT, such an one's faith is constantly energizing that God Power flowing through all appearances. The treatment is not a matter of a few days or month's concentration, but a constant outpouring of that quality of faith in which the Masters and ALL Perfected Beings eternally dwell.

All the Celestial Hierarchy and in fact all life (except that evolving upon the Earth plane) abides in perfect faith in GOOD. There is no "house divided against itself" except in the human kingdom. It is this human kingdom that has imparted fear, uncertainty and doubt to the animal and elemental kingdoms through giving faith to a power opposed to God.

The cycle has come again when the quality of Faith will be used ONLY to expand the radiation of the God Power.

THE POSSIBILITIES OF THE CHELA ----

by The Beloved Maha Chohan

Unfoldment must come from Self-conscious Effort

When an individual seeks entrance to the so-called Mysteries and the personal association with the Gods, he steps forward voluntarily into the Light, which will of necessity reveal both his strengths and his weaknesses.

He then uses that portion of the Law of which he is aware to remove the weaknesses and to become a fit instrument for the Gods. According to his ability to consciously cooperate is his consciousness widened.

Remember --- The Gods are not the Law of one's lifestream. They are merely Friends who point the Way to spiritual unfoldment and eventual Freedom.

Application and unfoldment must come always from self-conscious effort. The student unfolds and expands from within himself if he is alert to apply the instruction given. The Teacher does not apply the Law of mathematice for the student, but advises him of the methods and then he must abide in the student's own ability to work out the intricacies of the mathematical law. So it is with you.

Use the Resurrecting Power of Life, which is Yours

As the Holy Spirit to this Earth, "I AM" the Resurrection and the Life of the Vegetable Kingdom, the Animal Kingdom and Mankind.

Jesus availed Himself of the resurrecting power within Life when He reanimated His physical body on that first Easter morning. He said -- "What I have done, all men shall one day do."

This same resurrecting power is yours and it may be utilized to quickly raise your lifestream into the state of pure Christ Consciousness. As you use those powerful words of Jesus, feel yourself and your affairs raised quickly into freedom.

Your specific Desire should be to become The Hand of God

Each man becomes aware that he is God through self-conscious unfoldment. When an individual recognizes his Divinity in his feelings he becomes self-luminous and passes from this school room into the next Octave, which is referred to in metaphysical parlance as the Ascended Master Realm. Even in that Realm expansion, growth and unfoldment continues up the ladder of cosmic evolution.

There is a spiritual law which allows a certain number of the Hierarchy after the Ascension to supervise the laboratories of Earth and, when conditions permit, to come into close association with those lifestreams who are being prepared for graduation.

This closer communion is twofold:

- a) It enables the evolving soul to progress more rapidly, and
- b) It enables the Spiritual Hierarchy to expand Its plans of Divine work through self-conscious cooperation of members of humanity who volunteer their service.

Such a close communication with the Gods is, of course, a tremendous privilege, but it is neither comfortable nor easy.

- a) Be honest with yourself;
- b) Persevere;
- c) Examine your motives, which are open to the Masters, and
- d) Do not attempt chelaship unless you have but one desire -- to become the Hand of God and ultimately to ascend.

Your Goal: ----To hear God's Presence speak

A tree is known by its fruit - a man is known by his actions - a God is recognized by His works. Wise is the man who has the intuition to pierce the veil and hear the "I AM" Presence speak.

How to regain your Divine Powers

When man voluntarily left God's Kingdom through accepting a power opposed to God, he left on the threshold of that Kingdom all the Divine Powers of his being. When he swore allegiance to the physical appearance world he relinquished all claim to the Powers that belonged to the Godhead.

When he chooses to return to God's Kingdom he must, in his own feelings, relinquish all claim to human powers and all belief in all powers opposed to God.

He must step within the threshold of God's Kingdom gently and humbly, as a child, and in this state of humility the God Powers will leap forth to unfold him, for They are most eager

for avenues of expansion.

You may become one of My Channels

The progress of every incarnate spirit and the unfoldment of his consciousness to a point where the personal self blends with the Divine, is My particular individual responsibility in this Universe, for without Life there can be no evolution and all Life is the Breath of God. This Holy Breath passes through My Body into the Earth plane, as I AM the Representative of the Holy Spirit.

As I AM, then, the Dispenser of the Gifts of Life to the Planet, to the Kingdom of Nature and to man, it becomes My immediate concern to teach mankind the proper use of Life, that they might unfold according to the Divine Plan, for as you must render an accounting for your use of Life, so AM I responsible to the Father for all the energy that is used on this Planet and I must retire it one day in the same purity with which the Father gave it forth to Me. Therefore, you can see how very important the evolution of every individual soul is when they are consciously endeavoring to become a channel through which I may assist and reach the masses. Such a channel you may become and for this reason I AM willing to give you My Personal attention.

How to Become Truth

To become Truth one must pierce the veil of words for the most beautiful expressed revelations are but the coarser clothing of reality.

Printed instruction is like a door, but one must pass through the "words" into the inner

realization of the fact which the words so clumsily endeavor to portray. In the Octave of Perfection the Light Pictures and colors express much more accurately the Truth of Life than the most beautifully written or spoken essay, but even the Light and Color Patterns are but a door to Reality. One must experience through the flesh the Truths as presented by such expressions.

OPPORTUNITY IS THE DOOR ---

by Beloved Saint Germain

Friendship to Me, is the most exquisite activity in this whole Universe and it is builded out of energy contributed voluntarily by both parties who choose in sincerity to call each other friends. I can call you, in all sincerity, beloved Friends of Freedom; friends not only of Myself and My lifestream, but friends of the quality, nature and freedom who have, age after age and era after era, endeavored to serve the cause of freedom in whatever nation, whatever continent required the assistance of Freedom's Light!

God needs a body, beloved ones, and every Ascended Master, every Member of the Spiritual Hierarchy is dependent upon the friendship and voluntary cooperation of unascended beings to fulfill the cause, the destiny, the activity which He fosters and sponsors at inner levels.

Even in the compound, it was required that lifestreams be awakened from their tremendous lethargy so that through those lifestreams Lord Michael and Others of the Ascended Host might

assist to bring Light into that compound and four such lifestreams came forth and took the vow of obedience to the Lord of the World. Thus through those four we were able to bring Light into that concentrate of evil and through them raised and transformed that energy into its natural estate. So in a lesser degree do We work for the mankind of Earth THROUGH YOU! You are the "open door"; Ours the energy, the vitality, the fire, the enthusiasm, the concentrate of Spiritual Essence that flows through the open door of your consciousness, passes through the energies or your decrees, your visualizations and your contemplations, Ours is the heritage of centuries of love and service, but yours the door through which Our Gifts may reach mankind! Without an OPEN DOOR the perfection of the Kingdom of Heaven could not externalize.

Without the sacrifice of Jesus, the ministry which He manifested of mastery could not have been brought into the conscious minds of mankind. Without the voluntary dedication of your energy, individually, (and I speak to each one of you as if you and I were alone), without your voluntary attention upon the Ascended Masters, without your voluntary invitation to step down Our energy through your mental, emotional, and etheric worlds and your flesh bodies, We could not assist the race. So to the Open Door of those who have risen above the mass mind, those who have accepted Our reality and Our desire to help, to those blessed ones, We are eternally grateful -- without them, the world in truth, would be lost!

Opportunity came to your door, beloved ones, when you had nought to measure truth or falsity except by vibration. You chose to take Her Hand

and made the association between My own Heart and yours a closer one. You recognized My Beloved (Goddess of Opportunity) and according to your perception of Opportunity in the days ahead, will your freedom be assured. OPPORTUNITY IS THE DOOR AND FREEDOM IS THE REWARD!

Opportunity comes in many disguises and not always blazing Her Light - only vibration apprises what is to be done that is right. Remember, when a hand is outstretched for assistance; remember when a heart is in trouble; when a fellow traveler along the road is stumbling - THAT IS OPPORTUNITY to expand your Light and to do right!

YOUR CAUSAL BODIES -- GLORIOUS CORONAS
by Beloved Corona

Hail, Children of the Light, "I AM" Corona and I dwell in the chromosphere around your Sun. It is My privilege to abide in the glorious Radiation of Mighty Helios and Vesta, being visible only to Earthlings at the time of a total eclipse.

Why do I come to you, the chelas of the Cosmic Beings and Ascended Masters at this time?

As We look upon your auras, We see the emergence of The Christ, the veil of shadow of the human self receding, and you are now rapidly approaching the time when the corona, or halo, of your own being will shine forth. You have seen illustrated in pictorial manner, the shining Light forming an aureole, or corona, around 'sainted' ones.

In the Higher Octaves your great Causal Bodies are glorious Coronas, whose luminosity is never dimmed, just increased in intensity as you become adept in the process of expanding the various Virtues of the Godhead. The time has arrived when the Good of your Causal Bodies should be drawn forth and lowered (but not diminished) so that it will be the perfect aureole of The Emerging Christ.

I shall now proceed to give you an exercise which will be of great assistance in accomplishing this. Some of you beloved ones employ this in part but We wish you to take fuller advantage of the Gifts and Powers awaiting your use:

First, give recognition to and center yourself in The Christ within, removing your consciousness from the outer self. Now in prayerful humility, kneel in gratitude for the privilege of knowing you ARE the Indwelling Christ.

Becoming absorbed, or saturated, in the Christ Consciousness, feel the Crown of the Elohim become activated on your forehead. The Seven Rays blazing forth in balanced activity. Here pause to give recognition to the glorious Rays, and travel further on the avenue of your Silver Cord into the very Heart of your "I AM" Presence. Love, love, oh love that Great God Presence, and blending as One, thank the Supreme Source of all Creation for this privilege. As this Oneness intensifies, visualize the pulsating Bands of your Causal Body, your Cosmic Corona, enfold you.

Now abide in this consciousness for a short while, until you become accustomed to the higher rate of vibration, and then proceed to retrace the journey of your consciousness to the starting point of The Christ within your heart. Giving a prayer of gratitude for this Celestial Journey, quietly, unhurriedly continue your application, and then proceed to follow your daily activities.

I admonish you to do this exercise for short periods at first. Should you not be adept at this, ask one of the Cosmic Beings or Ascended Masters to give you assistance, until there is no strain felt in this change of vibratory action.

As you will realize, this is given to you for a very specific purpose, to enable you to further blend the outer self with the Inner, and the more infiltration of the Inner, the more will the outer recede.

As The Christ emerges and is allowed to take control, there must be a rarefied atmosphere for its functioning through the lower vehicles. It should have a corona of Divine Love, Peace, Purity and Beauty to permit fuller expression in the world of form, otherwise the little or human self intrudes and is in command of your being and world.

This is presented to you not as an entertaining excursion into the Higher Octaves, but to train your vehicles so they will not further impede the Activity of The Christ within from taking control and functioning in your being and worlds, at all times!

I call the Blessings of the Supreme Source of All Life upon you in your forward progress on the Path of Spiritual Attainment.

I, Corona, from the Aura of Helios and Vesta shall be prayerfully watching the expansion of your 'corona'! So be It!

HOW TO USE THE POWER OF YOUR CAUSAL BODY By Beloved Jesus

Beloved Friends, I bring to you today the Truth, which is the gift and momentum of My Causal Body established through the voluntary qualification of My Life over a period of many, many centuries previous to that in which I gained the victory of the Ascension. Oh, Children of God, if you could see the treasures you are laying up in the glory of your Causal Body through this life time of magnificent, constant loyal dedicated and enthusiastic service, how grateful you would be that you have chosen the wiser course, and that in which you have invested the Life of God shall remain for you ever a Cosmic battery on which you may draw and which you may direct to any part of any Universe or any Star to give assistance as you desire.

When We stand in the fuller freedom in the Inner Realms and see the waste of Life, and then We are privileged to witness, over a period of years, the consciously gathering, individual and collective momentums of consecrated lifestreams, Our hearts are filled with eternal gratitude that some, among the sons and daughters of men, are choosing wisely and building for themselves the instruments of the Cosmos; for the length of

each Ray of Light that proceeds from your Causal Body will be determined by the full gathered momentum of the battery of energy within that Causal Body, and if you are in time called upon to work in a galaxy other than your own; and your battery of energy should not have that full momentum, your Ray would fall short of Its goal.

My Children of Light and of Life, I Who have been summoned among others to render service upon many planes of consciousness and in many Universes, have seen Those, even the God-free Whose Causal Body did not reach to the periphery of the sphere of service which They wished to render, and that is a cause for spiritual remorse indeed.

DO USE YOUR CAUSAL BODIES. Your Causal Bodies are blazing with qualified momentums carrying the colors of the qualities which you have builded into those Causal Bodies through year after year of study, contemplation, invocation and mighty decrees -- If you could see them, like beautiful, radiant, many colored suns standing around your own Electronic Presence! That will be yours for Eternity! And some day when you address a System of Worlds, you can say as I, today, "I bring to you the full gathered Cosmic momentum of My Faith, of My Love, of My Beauty, of My Healing, and of My Peace!" All that you have gathered, even in individual application in the wee small hours of the night, all that rushing like a great river when the sluice and the dam is opened and forced to the object to which you have directed it.

We are coming into an understanding now of your individual capacities to reach deep into

your Causal Bodies, each one, and avail yourselves of the momentums of the power that is gathered there. CHARGE those powers from your Causal Bodies through the blazing Light Rays into conditions and into lifestreams that need assistance; that is already yours! It is as much a part of you as an account you hold in a bank, and far more eternal. Pity it is that so many magnificent, gifted, and spiritual lifestreams allow the might of the Causal Body to lie quiescent until they enter into the victory of their own Ascension, when they could be using it long before, yet in garments seemingly limited and and moving among men.

HOW TO CENTER YOUR CONSCIOUSNESS IN THE THREE-FOLD FLAME IN YOUR HEART.....

By Beloved Vulcan

A primary factor in the study of the evolution of man and the mastery to be attained by each lifestream lies in a clear presentation of the centre or focal point of the individual consciousness.

The human consciousness, you have been told is a conglomerate mass of thought and feeling and represents in essence a great cloud held together by a magnetic force within the center of that mass moving energy. The heart center represents the intelligent thinking and feeling point of consciousness and the area from the center to the circumference is the aura of radiation of the heart center of the individual's outer personality.

The Four Lower Bodies

In studying the four lower bodies as the contributing factors to the consciousness and as the "qualifiers" of tons of God Energy, we see that the central point of consciousness is in constant motion, functioning in one or more of the four lower bodies and is like a basket ball tossed by the players in the course of the game. The individual thus functions from the heart of the emotional body, or the mental, or the etheric, or the physical, moving like the pendulum of a clock from one to the other, according to the particular experience and pressure and the will of the body which tries to secure for the moment the prize.

The body which secures the center of consciousness is highly energized during the time when that focus is within it, and, therefore, the lower bodies seek and fight with each other to secure the center of the individual consciousness through fair means or foul. This is a completely fatal condition for the progress of the lifestream, because an individual whose central balance is constantly shifted to the authority of his lower bodies is a prey to his emotional outbreaks, his etheric memories, etc.

The Grail is within the Heart

The Grail provided for the Focus of each lifestream's consciousness is within the heart and when the individual attains mastery he holds his consciousness within the Three-fold Flame in his heart where perfect balance rules all his outer activities and where the Light Ray from his Presence forms a direct line of communication, inspiration and direction, which is much more

easily received from the Secret Place of the Most High. If, however, any set of circumstances can throw the consciousness to the mercy of the emotional, mental, etheric or physical bodies, direct communication between the soul and the Spirit is broken.

You have read, perhaps, and seen in pictures how a boat in distress will be circled either by a plane or a rescuing vessel, but the turbulent sea between would not allow the life line or the connecting line to unite the two. It is the same manner that the Higher Self, during the times of emergency, has to throw his line of force into the battling sea of the lower bodies, hoping to catch the consciousness in its rapid progress from one to the other.

Most people are completely at the mercy of the lower bodies and find themselves functioning in an emotional frenzy or a mental battle, completely unaware that they have slipped from their moorings.

Senile people and ageing lifestreams often slip into the etheric body and their consciousness remains there until their passing and thus they enjoy re-living the scenes of yesterday.

Your Open Doors

Your four lower bodies are like four rooms through which your consciousness reaches into the physical appearance world for certain defined effects:

a) Through the emotional body it should absorb the qualities and feelings of the Presence and radiate them:

b) Thus through the mental body the consciousness absorbs knowledge, receives instruction from the Presence and gives it forth;

c) The etheric body should be a storehouse of all the Divine memories of the past and should be used as a library;

d) And the physical body should be a vessel through which contact could be made with the Three Dimensional Plane.

All these bodies, however, should be Open Doors through which the consciousness works, maintaining its anchorage always within the constantly flowing stream of energy in the heart.

The Purpose of Stilling Yourself

You will find upon contemplation and observing yourselves how illusive is the center of consciousness and how quickly it slips from one to the other of your bodies before you are even conscious of it. The purpose of stilling one's self is manifold, but one particular activity is to draw the consciousness back into the Secret Chamber of the heart and then to function from within the Light Ray at all times. Even the mental contemplation of this gives you a feeling of poise, mastery and detachment. You will always have a direct line of communication from Headquarters and you will not release energy unkindly because from the Fountain of the Sacred Water of Life within your heart there can go no unkind emanation.

It is only when the heart center of consciousness energizes one or more of the lower bodies

that they seize upon the Creative Principle and dishonor God's Name by sending it forth imperfectly. If these lower bodies cannot get the heart center of your consciousness they have no independent authority and they know this. Here you have one of the most powerful ways to mastery if you contemplate it.

All the accumulation in your four lower bodies could not act and could be purified and consumed without struggle, IF the center of the intelligent consciousness of the outer self could be hidden in the Heart of the Presence and not allowed to be coaxed forth by any external tying it to the caprices of any one of the four lower bodies.

Being directly concerned with drawing the Consciousness into the Three-fold Flame in your heart, you will find your bodies straight, your sense of struggle greatly diminished and you will have an alert, calm poise that should amaze you in your forward progress.

I thank you for this opportunity to make your acquaintance and visit with you and I offer you, on the ever-expanding altar of your endeavors to become the Ascended Master Consciousness, MY particular service --- yours for the asking.

HOW TO LET THE PRESENCE ACT

By Beloved Jesus

On this Day, celebrated as the anniversary of My humble birth. I give Honor and Blessings not only to Angels, mankind and elemental life,

but particularly Those Who made My Victory possible. I refer to My blessed Mother, Who held throughout Her Lifetime the Immaculate Concept for me, to My good Father (Saint Joseph) now the Ascended Master Saint Germain Who leads you and succeeding generations into permanent Victory, shall bring forth the magnificence of the Golden Age upon this Sweet Earth.

Beloved Ones, the Angelic Host are truly a part of that Victory, coming in Their God-free Estate, closer and closer to the Earthplane. In everyone of My Own Personal experiences, wherein there was temporary trial, the Power of My Own Holy Family and the Angelic Host gave Me the feeling of Victory. Even on that Thursday in Gethsemane, when I offered back My "Cup", the strength of the Angels helped Me to hold My Cup that I might fill It on Good Friday and Easter Sunday.

You too, now have a cup, filled with the gifts of God and many times, even like unto Myself, you desire to place your Cup in the hands of The Father, not choosing to pour forth the fulness of Its Gifts to all mankind! What good is a Cup, filled with the Gifts of Life Eternal, if that Cup, filled to the brim with Our Love, does not reach the souls of men, giving to them the essence of Divinity, the encouragement required to expand upon life's way and the power (latent within them) to expand their own Divinity so that each one shall stand in the fulness of their own God-stature. Which is the Divine Plan of the Father of Light for everyman? I was but one example of what all men shall become, here on the Earth, even before the glory of their Ascension. Accept that in your feelings NOW!

Carry Your Cup in Honor

That Holy Christ Flame within your Hearts is able to render this service through you. Utilizing this Power, requires great humility of the outer self, so that the human personality shall lessen and The Christ within, always be given credit for doing the good works. Now is the hour when THAT accomplishment is required. Carry your Cups in Honor that all who are athirst may drink thereof.

Again, again and again have I said, I have been but an Example of what all men shall be, here on this Earth even before the Victory and the glory of their Ascension. Can you not accept that in your feelings, that it would be a very foolish Godhead Who would create but one Divine Son and many sons and daughters of clay! No, everyone from every Star and System has a bursting Christos waiting to expand, but it takes great strength to allow that Light to expand into and through you; it takes great humility for you to understand that in the expansion of the Light you become less and the Power acting through you becomes more. It takes great discrimination to cognize that the gifts and virtues and blessings that flow forth are of The Father within you, acting through you true, but not to the glorify the self. How often have I said, even in My Ministry on Earth, "It is not I, It is the Father within that doeth the works".

That Father-life is within you, too, willing to accomplish the works if you let It expand Its power. What I have done, you can, and shall, do. Now is the hour when that accomplishment is required because mankind, everyone everywhere, desire the example manifest of the Christ in order

to, in themselves, have the encouragement necessary to make like endeavor.

We are in days and hours of change true. Here upon the Earth there are many human appearances that frighten those who are not anchored in the Power of God. Yet those appearances are no greater than the appearances manifest in My Ministry. In fact, except for the fact that they are televised, they are less. Where is The Christ that says unto them 'Peace be still' and then calls forth by the power of love and light the God-victory and manifestation that is required to make each and everyone of you that manifest perfection, not only today but so long as you shall remain on Earth and that will be part of your crown in Heaven.

What Your Crown Is

Many individuals have wondered about the crown. That crown is made of all the good you have done through all the ages that you have lived. It is really the Causal Body which We wear, which the great Elohim wear, Which Those at the Teton wear, and Which is a part of the jeweled magnificence of your Victorious Presence.

There are many mansions in the Father's Home. Let your mansion be one of great Light! Your mansion began when first you took embodiment upon the Earthplane and into that mansion has been builded all of the good you have done through the ages. You often remember visiting them upon awakening in the morning. Through the gift of projected consciousness enter into your Mansion of Light and abide therein, feeling the play of Light in and around you, enjoying the gardens of Flame-flowers, and the general perfection of

those Realms of Love in those mansions which are your own!

We are cognizant that the service rendered on the Earthplane is great and that the energies involved in the sustaining of that service are many but think you that you could even accomplish that much service were it not for the intervention and sustenance of the Ascended Host of Light! Ah, no, you live truly by the power of Light and the gift of Love and the energy of OUR PRESENCE acting through you. So when you fold a sheet of paper, when you raise a hand in service, remember that it is The Father within and Our Presence that is giving the benediction and the blessing through you and practicing that you become The Christus manifest here on Earth.

Magnify The Power of The Lord

From the time of My earliest recollection, My Mother taught Me to magnify the Power of the Lord to bless life. If We had not practiced that Law of Love We would not have become the Master of energy and vibration. Even in the secular world, if one does not practice any power, he or she does not become Master of Its gifts and powers. Practice standing aside, humanly speaking, to all the Power of God, through you, to Act! Remember always, it is God, through you, Who renders the so-called miracles, even as I constantly reminded My people that 'It was not I, but the Father within Which did all the works.' The SAME opportunity is yours now. Utilize It as I did and do not let the God-power wither on the vine. Allow It to wax strong and active within and through you TODAY.

That is the activity I used in My Own Life, simple as it was, though it has been glorified by succeeding generations yet while I walked the ways of Earth there were not so many in Our number, yet We practiced the using of the Power of the Presence of God "I AM" in everything that We did. In that practice when Our public Mission began I was able to utilize the momentum and the power of that Christ Presence to do the service that had to be rendered.

Practice Daily

Beloved Ones, if you sat as some of the blessed worshippers in the East, with your hand behind your back for forty years, it would wither -- Nature's way, until it was permanently crippled. They think it is a devotion, yet the hands were given to utilize in practical service and those men and women in India and China, particularly in the East, could do more with their good hands expanding the power of practical secular cleanliness and understanding and instruction than they could in allowing the arm or the foot to wither in that which they call asceticism. NOW, where is your practice of the Presence of God? You know when you have practiced, say in anything, you are proficient at it and you can do it almost automatically, as Beloved Morya says; whatever service you are rendering becomes almost automatic and you can render that service without any consciousness of it. That is how the practice of the Powers of the Presence become until they are almost automatic in their service in and through you, for the blessing of all life. I say truly, as One Who is among you, not One Who has come forth from you but One Who has come to you, I live always by the practical power of using The Ever Presence of God.

BELOVED KUTHUMI SAYS:

"In the searching for Peace, -- the soul of man must follow the inner Light, the soundless music, the illusive perfume of the Christ that leadeth ever onward, where the seeking soul cannot yet dwell. Love of God and service to His creation brings all out of the darkest morass of early striving to the illumined Path where you consciously move upon God's Way. It is Love that sustains each one during the groping years ere the fulness of the Light has come. To enter the Ascended Master's World, you must become ONE with Us in purpose!

HAIL VICTORY

Hail Victory!
Our Love to Thee!
Tread we the pathway to
Earth's own New Day!

Gone are the tears,
All doubts and fears!
Tread we the pathway to
Vic - tor - y!

Rend now human veils!
God's Love does prevail!
Call we now to Thee!
Victory,
Set us free -
ONE with Thee!

Hail Victory!
Our Love to Thee!
Tread we the pathway to
Vic - tor - y!

THE CONSCIOUSNESS AND QUALITY OF VICTORIOUS ACCOMPLISHMENT

By Beloved Victory

Beloved friends of My heart and the planet Earth, I come to bring to you the God-victorious qualification of My life; the full gathered Cosmic momentum of energy which is Mine, resulting from My use of the gift of primal life through the ages. I am bringing to you My consciousness and quality of victorious accomplishment; that accomplishment which will accept no compromise; which will accept no defeat; which knows, through the Cosmic Flame of Cosmic Christ Truth, that Cosmic Law is absolutely certain to act for and through the individual, when correctly applied. When that Law is consciously applied, the energy is released qualified with perfection and, if harmony is sustained, victory is assured!

Upon the planet Venus from whence I come, there is no such thing as failure, disease or compromise with imperfection. On the planet Venus, all of life (abiding within the harmony, balance and purity of the Godhead) moves forward to fulfill the Divine Plan, manifesting through each self-conscious Intelligence, their own God-victories and expanding forever the perfection of the Kingdom of God.

How long has the planet Venus looked upon, and assisted your sweet Earth? How long have We taken as our self-chosen responsibility the guiding of the people of Earth; the guarding of their lifestreams; the sustaining of the light that would keep the planet Earth a part of Its Solar System? O, We have loved you long, blessed children. Some among you to whom I speak are of Our

Own evolution. Some among you are those who have loved the Earth and Her people as We do; who have chosen to take the dense bodies of this Earth; who have chosen to encompass yourselves round with a portion of the great karma of the nation and of the race to which you temporarily belong. By expanding your light according to the development of your own momentums, you have helped this planet Earth to sustain Her place in the Solar System. To you, blessed exiles from Home, I bring the love and blessings of Sanat Kumara; the love and blessings of the great Goddess Venus and the blessings from the heart of Shamballa, to enfold you with whatever power and pressure of energy are required to sustain you in your endeavors to hold the Torch of Light high, expanding the light wheresoever you may be and to become manifest expressions of the victorious Christ Presence as witness to all men of the power of God acting through the human form!

One day, beloved ones, every one of you who has chosen to place your feet upon the Path which leads to the Ascension -- when the final electron which you have drawn from your own "I AM" Presence has been requalified with only good; one day, when your course is run; one day when, truly, "all has been said and done" in this world of form; you will hear the call of your great Presence. Then you will know that you have completed in victory that for which you came earthward. The first sensation of your soul, as it is sublimated and absorbed into your Light bodies, will be My feeling of the Victory of Full Accomplishment!

Whenever there is a sense of dissatisfaction, and of discontent; a sense of incompleteness; it is because the soul itself within you cries for the fullness of the feeling of victory, which

is an integral part of your own nature. Why? Because the quality of Victory is one of the twelve primal Virtues of the Godhead Itself. While you are not manifesting those twelve Qualities and Virtues (those twelve positive activities of your own qualified life), you feel within yourself a sense of something missing. It is to bring to you the qualified pressure and power of My Flame of Victory that I have come!

Beloved friends, please do not rest on compromise! There is no one unascended who has not compromised with appearances, to some extent! You know the power of God intellectually; in your credos, you have accepted the full power of the Godhead to act but you have compromised with appearances by allowing to live in your consciousnesses and in your worlds --- distress of mind, body and affairs. You have not taken the hand of Victory; you have not drawn His victorious currents through your world to bring you to Mastery in Its fullness. The Master Jesus knew no compromise! He knew no compromise with death; no compromise with disease or insanity; no compromise with any human appearance. --- He stood fully and completely anchored in the faith, confidence and belief of the God-power ALMIGHTY to act through Him. That God-power so invoked, was victorious in every manifestation of His daily life!

I AM THE SPIRIT AND THE FLAME OF VICTORY! I am the Servant of every man who chooses to stand alone with his God and within his heart, refuse to accept compromise with evil; holding to that command that the victorious power of the All-Christ through such an one, shall wipe the slate clean of all distresses of mind, feelings, body and affairs.

I have been invoked by the few through the ages; ----- by the few who refuse to compromise with evil; who refuse to accept the appearance reports of the masses; the few who have stood adamant, holding to a vision received from God and, using the energies of their own worlds, interesting the lifestreams of some few around them. These pressed forward until victorious accomplishment of their inner vision was written on the screen of life as manifest works.

I was the Spirit of Victory within the heart of Columbus --- the Spirit which enabled that man to stand against the ridicule of all the scholars of his day and to hold to that Vision which he believed could be manifest. Through that vision which he held, there has been drawn into being the magnificent nation of America, builded in God's Name, where mankind has such freedom to express themselves; not only in religion and government affairs, but in the opulence of personal living. Those of you who have not witnessed the lack and privation of foreign lands cannot conceive of the bounty of America!

Beloved ones, individuals who are going to rise above the mediocre masses; individuals who are going to stand in the Heart of Light; individuals who are going to become focuses in this world of form for more than ordinary God-powers, MUST BEGIN TO ACCEPT THE PRESSURE OF VICTORY BY LIGHT IN THEIR FEELING WORLDS.

In your class work; in your personal application; in your home life; in your business affairs; may I ask you as a personal favor please, before you plunge into the activity of the moment or of the day, TAKE TIME TO BECOME STILL, UNTIL

YOUR FEELING WORLD CONNECTS WITH ME! Then you will move into action confident of Victory! NOTHING of lasting import is ever accomplished with a feeling of vacillation, a feeling of negation; a feeling of defeat or compromise! Why --- O, Why, children of the One Holy God! Children of the Light and Flames of the Morning! Why do you stand in decadent bodies; in distressed minds; in limited consciousness; in financial lack; when the victorious powers of the All-Christ is yours to use? Why can you not reach out and, meeting Me halfway, grasp My hand with your own? Then ask Me to charge into your feeling world My feeling of Victory to change the vibratory actions of timidity, vacillation, doubt and a consciousness of defeat ---- of which have been yours for so many centuries. If you will do this, I will change your doubtful feelings into My feeling of VICTORIOUS ACCOMPLISHMENT!

Thank You, Beloved Ones, and God bless You!

WHAT YOU SHOULD KNOW ABOUT MOMENTUMS OF ENERGY

By Beloved Kuthumi

There has been a detailed discussion of the word "momentum" and the various talents and developments of the lifestreams, their various likes and dislikes, their affinities, aversion, etc., and these are very lightly referred to by the student as a "gathered momentum" in a certain direction. The student further realizes that "momentum" is a constant repetition of certain actions and re-actions toward a certain qualification of energy which gains in volume

and intensity by such repetition and, therefore, becomes a pressure of reserved energy that acts almost independently of the conscious volition of the individual.

Kindliness, humility, genuine warmth of heart-felt feelings are developed by the lifestream at first through very definite conscious effort, and then, as the radiation becomes more a part of the individual, the momentum of good makes the sustained harmony almost automatic in its expression.

Momentums of discord must be dissolved

Every Being, from the electron to the Godhead, expands by his or her conscious absorption of the God energy, his particular quality and directs it according to the free-will of the self-conscious life. There is NO substitute for "gathered momentum" of a quality. Each person, ascended or unascended, represent today the sum total of his or her own energy qualified through the centuries according to the individual's choice --- some people have a momentum of discord!

In the new Day all previously charged momentums of discord must be dissolved and then replaced through the conscious effort of the individual by the drawing forth of the God energy and a setting up of new qualities and new expressions that are in accord with God's Will. Here is where We come to a very marvelous and little understood explanation of how unascended beings are chosen by the Hierarchy and the Lords of Karma to assist in the bringing forth of the Perfection which will form the Pattern of the New Day.

How Chelas are chosen

The gathered momentum of each lifestream in any constructive channel forms a great "stock pile" of energy or force which makes such an one a tremendous pressure for good through the already developed inner nature and the Masters USE that momentum through the instruments already prepared with certain faculties, which make them natural channels for the work at hand. It is like utilizing experienced actors instead of absolutely untrained people for the expression of Their work. For instance, an individual who has taught for centuries is an easier instrument for the Masters to use to deliver a lecture than it would be for Him to take one who had never builded a momentum of teaching and try to arrange the inner bodies in such a manner that the pressure of His thought and feeling might be expressed forcibly and well.

That is why all groups of chelas and aspirants are chosen, not by their present outer expression but by the momentum of inner talents and qualities that can be utilized in a certain locality, blended with others for the greatest food of all.

Your power of precipitation

Another aspect of this Law will be found in the precipitation of opulence, beauty, etc. When a lifestream has held a desire for a certain number of years or embodiments, they form in the ethers a Cup or outline representing such a powerful desire, whether it be for a home, or on a larger scale for a Universal Brotherhood or a mass education for the young. These forms are already cut out of the Universal Life substance and when they are in agreement with the

constructive plan of the Universe, one or more of the Ascended Masters may ensoul such a desire, thought and feeling form, -- or vision -- with Their full gathered Cosmic momentum and power of precipitation through the lifestream who has held such a vision, and in that manner bring it into manifestation.

TRAVEL IN CONSCIOUSNESS

By Beloved El Morya

Consciousness is our thought and feeling self, which abides within the bodies God thru the Elemental Kingdom have provided for us. Every experience we has adds to the sum total of Wisdom or foolishness which make up our individual, distinctive consciousness.

In the years between infancy and maturity, every individual - through choice and circumstance - adds to and changes his consciousness for better or for worse. We can experience both terror and ecstasy without using the medium of the physical body, for all have known the joys of happy dreams and the horrors of nightmares. In the fields of drama, literature and art, man has learned to free his consciousness from the prosaic environments from whence he views this 'imagery'.

Consciousness endures beyond the dissolution of the physical body at the time of so-called death through the intermediate life and returns as the personal heritage of the re-incarnating lifestream, forming the foundation of his new experience life. Therefore, the richer and more

perceptive our individual consciousness, the more rapid our growth in this and succeeding lives.

When we ask the gentle reader to travel in consciousness, we are but encouraging him to use the same faculties by which he transfers himself temporarily into the world of the dramatist, the poet, or the Master of literature. A good formula for such travel is here outlined.

#1 Determine where you want to go. Nourish the outer mind through reading about and contemplating upon the Sphere or Location which is to be your goal, until you can close your eyes and picture your objective. The Presence of God and His Messengers are your compass charts. Your mind is like the sail of a boat.

#2 Will, through your feelings, that you will reach your destination. Your feeling world is like the wind in the sails. Use your feelings also to generate joy and anticipation for your journey.

#3 Relax and let God through you do the work. When you are going to sit down before the fire with a good book, you anticipate a time of relaxation. In like manner, if you are going to attend the opera or the theatre, you welcome it as an opportunity, to relieve the conscious or unconscious tensions of the work-a-day world. Spiritual journey and exercises should also be entered into without mental strain, restraint, and the accompanying uncertainty of either your ability to make the journey or to retain the benefits received. Be assured that over eighty percent of your benefits are to the unfolding

soul, and the mental retention of your experience will come with time.

#4 Utilize the results of your experience in your daily living. The Far East is an unhappy example of the 'escape mechanism' of religious ecstasies which accomplish no good purpose in the forward course of evolution of our planet, its mankind, and the Nature Kingdom as well. To look at a vision, to smell a rose, to contemplate and recognize a truth is commendable, BUT TO TRANSLATE THE VISION AND TRUTH INTO ACTION IS TO SERVE GOD'S PURPOSE. Also the balance, your return to life for any expansion of consciousness, determines how much you will receive on your next visitation to the Cosmic Well.

HOW TO REMOVE DISTRESS FROM YOUR MIND, FEELINGS AND BODY

By Beloved Archangel Gabriel

"I AM" Gabriel! --- He Who is called 'the Announcer' bringing tidings of great joy to all generations. These tidings come to you in the progress of this Sweet Earth as She, and all Her evolutions move ever upward in the Holy Father's Scheme of God Creation. There are already inner Divine Causes set up, waiting to burst through the veil of maya as a manifest expression of God perfection which the Beloved Saint Germain holds for you as well as for succeeding generations.

Have you ever thought what causes motivation? The will to do, the intelligence by which it is done and the Love by which to sustain the manifestation. This was the power utilized for

the progression of the Earth and the same activity of motivation can be used to accelerate the cells and atoms of your being, throwing off into the Violet Transmuting Flame, all discord and sustaining and accelerating the power of God, alive within you, rather than allowing your physical vehicle to decline. Think on it! The motivating power in all life is of a different vibration, of course.

So-called inanimate matter is impregnated with the consciousness of all who use it, but the motivating power of the cells and atoms of your dear bodies can be regulated and move more rapidly until all human creation is removed, and the Powers of your Holy Christ Flame activated and set free, to bless all life everywhere. Accelerate the vibratory action of those organs and cells which require assistance NOW. The moment you think of Us, you are with Us and the moment We think of you, We are with you. That is truly a power of rapid motivation, is it not?

That is a science. It is a science that can be used, and is used efficaciously by unascended beings as well as Those in Our Kingdom. You cannot even motivate yourself from this room into your own quarters without willing so to do, having intelligence enough to go there and then making of your room a shrine of Light by the love that is acting.

Practice on the power of accelerating, calling to your "I AM" Presence and Holy Christ Self to accelerate the motion of the cells and atoms that make up your physical vehicle and inner vehicles and see the manifestation that can be yours TODAY!

Beloved ones, utilize these powers. There is no sense in bringing glad tidings of great joy to this or any generation if there is not the acceptance and utilization of those powers within the lifestream of whom We give the gift of Our very life.

Now visualize a crystal ball, oh about the size of the palm of your hand, and see it rotating upon its axis, but that axis perfectly straight --- as the Earth soon shall be --- and it moves from left to right of course. That is a magnified cell made up of many electrons. Those are within you and when you call the POWERS OF LIGHT into that cell and it begins to rotate more rapidly, wherever the condition of distress seems to be in the mind or the body, in the soul, in the feelings, it can be removed by the Powers of Light. This is God Truth, proven by unascended beings and which can be proven by you today.

As you practice the power of the Presence of God, alive within you, you will, of course, become more of the Light of the World. Walking the ways of men you shall not be like unto them for your light shall be a pathway of Grace to all.

Giving you that, will give you, of course, a tremendous acceleration in that visitation but until that hour comes you can receive the acceleration of the cells of your beings through Our Presence and OUR CHARGE OF LIGHT through you. You can sustain that in ovoids of Light by the Power of the Sacred Fire.

Practice on these things, yet though you walk the ways of men you shall not be like unto them; you shall be like unto the shining Star in Heaven, which is your Destiny and which you must one day fulfill.

Beloved Jesus spoke upon the subject of practicing the powers of the Presence of God, within Him, which manifested His Victory. Although even We of the Angelic Kingdom gave great assistance to His Lifestream, -- if He personally had not chosen to practice those Truths, He would have not accomplished the perfect Example for all the Christian Dispensation. My Lady Hope, gives constantly of Her Feeling of Hope Eternal to the hearts and souls of men in temporary distress.. Stand you, as Beloved Hope and the Angelic Kingdom and allow the orbit of the electrons and cells of your vehicles to expand until you are God-Free Beings NOW.

Beloved and blessed of My Heart, I love the Light that is your heartbeat, the Eternal Flame that is alive within you and which will one day be God Free. Every Hierarch and Sponsor and Master at the Teton love that Light and you have learned, and are learning, to love that Light within each other, though sometimes it seems to be covered over and sometimes the untransmuted karma seems to be more powerful, but if your love is strong enough, you can do as Jesus did when He drew the devils themselves out of individuals. You can call into the Violet Fire that untransmuted karma and love life Free. Do this only and always within the Luminous Presence of Myself or Anyone of the Ascended Host and see the results. If you do it with a human sense of conscious activity, you are apt to draw that very karma into your own world and it becomes at least for a time a part of your own. But you are in this day and age in a position to call Any Divine Being and through the Power of your Holy Christ Self to invoke the assistance that is required through all that untransmuted karma into the Flame TO SET LIFE FREE and to love it eternally Free.

PRACTICE ON THESE THINGS; these things of which We speak are the most practical and the most simple of all instruction as you know and as it descends upon you, the feeling of Our Reality, you shall then be Master of the very substance and energy of your sweet worlds.

Oh, there are many souls who consider that it is impossible for them to attain to the Heights of Divinity's stature and it is the Lady Hope Herself radiating in, through and around them that gives that stature of Perfection, manifesting it with the fullest power of the Sacred Fire without limit. So stand you as the Ascended Host you represent do, as the Angelic Host Which We are, and allow the orbit of the electrons and cells of your vehicles to expand, expand and expand until you become God Free Beings.

THIS I ASK IN THE NAME OF THE SAVIOR JESUS. We call Him 'Savior' and that is true because salvation itself is knowledge of the Law and that knowledge applied sets mankind Free. Savior as used in the activity of vicarious atonement of course is a fallacy of the Church, BUT when the Law is given and not used, when the instruction, radiation, blessing and POWER of the Sacred Fire is not poured forth after the Law is given, there is a karmic line written on your Page of Life. So wipe clean your Page of Life, your year of life, your years of life, your centuries of life, your aeons of living through the Power of the Violet Flame and let your volume of living in the Cosmic Library contain only those beautiful and perfect pictures and experiences of perfection that you have known now, known before and are to know again.

Thus, I come to announce tidings of Great Joy

to you, that The Father of Life within you can and will expand through you the vibratory action of Himself for the blessing of all imprisoned life. Charge and accept that activity into your feelings, beloved. Let Beloved El Morya be spiritually grateful before the Universal Karmic Board for His energy invested so lovingly in you, each one, so as He stands when the great Karmic Board presents Their petitions -- everyone shall manifest the glory of God, even though you go in white garments your light is so brilliant blazing from within you that there is none among even the Karmic Board Who can but cognize your Light adding to the Light of this Sweet Earth that has blessed you, sustained you, held your very body by the power of gravity and consciously in every way done those things required to set Life Free; the Earth has been desecrated by the misuse by man and animal; the Earth that is in the process of the most rapid redemption of any Star that has ever sunk to the depths that the Earth has, but which is being now resuscitated quickly. Resuscitate yourselves with It and progress with It into that Light, that Light that We know and that WE ARE!

The Blessings of every Being, Power and Legion of Heaven flow to, through and around you, setting the Light within you FREE TODAY, sustained by God's Holy Name, "I AM".

SUPPLICATIONS, DEMANDS AND ADORATIONS

By Patrick Constantine (Saint Patrick)

My service, having dealt almost entirely with the orthodox world since My Ascension, has not made Me fully aware of the activities of the

Ascended Master Saint Germain, to Whom I have been deeply indebted for My own unfoldment and subsequent Ascension. I, therefore, find it very warming to My Heart to be enabled to add My particular Radiation to this Great Brother's Activities.

The energy released by mankind, whether in orthodox or metaphysical channels, falls into three general classes: There are the Supplications, the Demands, and the Adorations. Everything being Law and Order, these various stratas of calls to Deity are handled separately and converge at different levels in the Higher Octaves.

Most calls fall into the supplicating and beseeching class, which has been the reason for the vibratory note of the Earth being referred to as a "Cry of distress". In recent years through Saint Germain's activities, there has been an increase in the strata of cosmic demands and commands by lifestreams on Earth. Then there is a thin strata of pure and simple Adorations, Devotions and Gratitude to Life. This strata again is divided into the Gratitude Class arising from the blessings and answers received through definite calls. Then, there is the far smaller strata of gratitude and devotional prayers sent up for the so-called blessings of Life.

It has been said that Gratitude is the Open Door to the fullness of God's Gifts! Then, devote your time in thus opening the doors and windows of the soul by pouring forth Gratitude to Life; to the Forces of the Four Elements that serve you so well; to the Perfected Ones Who have forsaken the Bliss of the Higher Realms to serve, guide and guard you; and to your own

Great God Presence and Holy Christ Self for Its protection and the Gifts of Life!

Re-orient your attitude with regard to the services rendered to you by individuals, whether they are bound to you by flesh ties, martial ties, friendship, or commercial and material ties. Remember, all such service, even though it may be but depositing the mail in the letter box, is LIFE serving you -- someone's Holy Christ Self has consciously released the priceless Essence of Life through some physical channel, so that you might be served.

Therefore, let TODAY, and every day, be a Day of Gratitude toward Life! If you will consciously acknowledge the Holy Christ Self of all who serve you, in gratitude for releasing Life to make your path easier, happier, and more secure, you will find the KEY to the greatest cooperation, harmony and loving association. The Divine Beings that inhabit interstellar space, NEVER pass Each Other without bowing in reverence to the Life in Each Other.

SIGNIFICANT POSTURES -- INVOKING THE
POWER OF THE CHRIST

By Beloved Saint Germain

Beloved and precious Friends....It is a joy to behold the Cosmic Plan unfolding on the Planet Earth through the Illumined Obedience of dedicated chelas in the physical appearance world. When you are Ascended you will then know the opportunity which was yours, and through using the power of Listening Grace heeded the Instructions of the Spiritual Hierarchy and availed

yourselves of this privilege and remained constant in the fulfillment thereof. The Benediction of the Lord of the World is upon your dedicated lifestreams.

I shall make this a rather informal talk, and in so doing endeavor to illumine your consciousness further in the ways of Spirit. Now let Me see how I can add to your happiness at this festive and important time and still balance the expenditure of the energy of The Father-Mother God flowing through Me!

You will remember, most of you in the early days when We first introduced the Cosmic Beings and Ascended Masters to the students in the Western Hemisphere, and presented Their actuality to those who had hearts and ears to listen, and an open consciousness for Their acceptance. At that time We spoke about the position of the physical garment when you were attending a Class to receive instruction. This was in a dignified manner as befits the presence of Royalty, the Estate of Those Who are on a higher plane of consciousness and in possession and use of the Truth of Life, the Spiritual Law.

We have indeed been lenient with you through the years and have not desired to exact rigid conformance through edicts of 'thou shalt not' or 'you must do that'. However, the time has approached when I feel it necessary to bring to your attention that a chela slumped in a chair, with perhaps his or her limbs crossed, does not receive the full benefit of the Radiation released. I do not infer that he does not get a Blessing. Most certainly he does, but a chela with good posture, whose spine is erect, with limbs uncrossed and hands gracefully resting in

the lap, or securing a Song Book or other necessary Class material on the lap, is the recipient of a greater inflow of Light. One should not tightly entwine the fingers with palms clasped. This restricts the flow of his energy in blessing to all life. It has often been stated that an individual with fist grasped is a selfish person. While We know that is not the intent of the chela who holds his hands in that manner through force of habit, but there are certain basic rules which hold true both in Spiritual and physical activities. I bring this to your attention so that those of you who assume this position can correct it in the future.

The instrument which you designate as the physical garment should always symbolize the beauty which is within, although the real meaning of this vehicle has been little understood except by the Initiates Who have passed through the Tests into the Temple of Truth, thus dwelling in their own Individualized God Presence.

There are significant postures through which many of the Powers of the Cosmic Christ may be invoked and drawn forth. These were formerly given by word of mouth to the chelas who had passed beyond the capacity to use them except for Good.

Invocation

The posture of Invocation holds the physical garment erect, the hands raised above the head toward the Source of Life. The majority of your artistic masterpieces of a Spiritual Nature showing the individual in the Act of Invocation, depict the body with hands extended. However, the correct position is the hands and the head raised into the Light.

Benediction

The Act of Benediction is drawing the Invocative Powers downward and precipitating them from the fingertips. This attitude, after the vehicle is thoroughly impregnated with the Light, connects the lifestream with the Cosmic Christ Power of Benediction, and releases countless amounts of energy.

Supplication

The kneeling posture is NOT invocation. The kneeling vehicle, with the spine straight, and the head bowed, is Supplication, or Gratitude. It is supplication when the outer self is not yet fully conscious of the Will of God, and the bowed head is the submission of the intellectual consciousness of the Divine Directing Intelligence.

When the supplication, or prayer consciousness, has revealed to the outer self the right course of action, invocation may freely take place.

The Symbol of the Cross

Now let us take the Symbol of the Cross. The living Body of the Master Jesus upon the Cross struck into the ground at Golgotha represented the beginning of the redemption of the Planet Earth. You will remember that the early explorers used the cross imbedded into the virgin earth to claim the ground in the name of some human Ruler, but it was really in the Name of exploration of God's Kingdom.

In some Religious Orders, the prone cross of the physical, at the time of ordination is intended to symbolize mastery, but such is not the

case. If the Priest stood erect while the ordination took place, when the invocation was called forth, the one who was supposed to have been mastered, might permit the human to become the master.

Through the various distortions of time and use, the sign of the Cross has become to many the symbol of so-called death. The Sign of the Cross will come again in a varying or true form to establish Life, certainly not bearing the lifeless and distorted body of any Being. Witness the Symbol of the Maltese Cross which I freely use as My Banner, and which is the Electronic Pattern of My Life. This is the perpendicular Cross of Victory, and not dissolution.

I M P O R T A N T

I have presented the foregoing to you for study and contemplation, and permit Me to counsel you to accept this in reverence, and debase it not through fanatical or irreverent practice. This is not for public use, but for the privacy of your own room where others are not present.

We feel that your consciousness is sufficiently illumined to understand that fanaticism could easily creep in were the chela not sufficiently emotionally balanced and thus draw attention to the human or outer self.

Your acceptance of these Truths

You are being permitted to receive this information of a nature which has deep inner meaning, and according to your acceptance and use of these Truths will more be forthcoming, as your consciousness is prepared and receptive.

Tamper not with Spiritual Instruction, for it was just such practice which caused many Priests, Priestesses and others to sink beneath the waves when the Planet submerged some of Her continents.

In loving and humble gratitude to the creator of Us all, I now enfold you in the Divine Love and Protection of the Spiritual Hierarchy, anticipating the time when your every gesture will be Spiritually meaningful, and in expanded activity take the form of Ritual for the expansion of the Light of the Cosmos.

HOW YOU CAN BECOME A RADIATING CENTER OF LIGHT

By Beloved La Moray
(Harmony)

As individuals pass from a state of unawareness of the beauty and majesty of Life, they gradually become cognizant of the tremendous privilege it is to be the recipients of the countless millions of electrons that are directed through the channel of their own lifestreams in the journey of the Universal Life Substance from the Fourth Dimension into the world of form.

The outer self has to still itself repeatedly during the process when the personality first becomes aware of the tremendous responsibility that comes with the dispensation of light through the lifestream, because the outer self has for so many centuries used life so freely and accepted it as so much a part of the personal property of the soul that it takes quite a time for the aspirant and chela to re-orient his mind and his feeling world in order that he may receive each electron that is passing into his keeping for
